## DISTRICT GOVERNOR'S MESSAGE

*"Embrace Your Accomplishments with  
Our Legacy of Service"*

### Centennial Service Challenge

As we have been sharing with our fellow Lions during the Governor's Club visitations, this is the last year of the Centennial Service Challenge. As evidenced from the excellent reports from our Centennial Chair PDG Andy Anderson, District 4-C5 is a leader in the MD-4, with 92% of our clubs taking part in four areas, and 83% have taken part two more of the four areas.

Before time runs out, let's move to being a 100% District. (Please review PDG Andy's Centennial Report - included in this issue of the Pride).

Further congrats go out to the clubs that have completed 58 Legacy Projects at Level 1; 33 Legacy Projects at Level Two; and 10 Legacy Projects at Level Three.

## 1ST VICE DISTRICT GOVERNOR'S MESSAGE

1st VDG  
Doug Wight

Happy President's Day and Valentine's Day District 4-C5 Lions –

As I write this column, the forecast for the next few days is unseasonably dry and warm periods. I hope that some of you are able to get out of doors and perform some early projects in your communities.

When you do go out and work in your communities, be sure and let your club secretaries know what you have been doing. Many of the clubs in the District are submitting their monthly membership and activity reports on the MyLCI website, but several aren't. Our Global Service Team Chair, Lion Donna Prince, is available to you in the event that you are having difficulty navigating the MyLCI website. We are encouraging all clubs to enter your terrific activities so that they can be shared with other Lions throughout the District and beyond.

We are already well into 2018, with a lot going on in the District. Crab feeds are plentiful. If you want to attend one of the crab feeds in your area and find that they are sold out, check out other clubs holding theirs for last minute reservations. The big one, the LPCCI, is scheduled for March 10 at the Citrus Heights Community Center where 700 will attend.

We just had the LEF Soup and Salad fundraiser at the Roseville Host Clubhouse on January 27<sup>th</sup>. It was a sellout with the building packed. Delicious soups and salads were prepared and shared with all present. You truly don't walk away hungry doing all of these fun events.

Our Cabinet meeting is scheduled for February 17 hosted by the Sacramento Light Lions Club at the Christian Light Church. We hope to see a large crowd there. There will be some great speakers and forums for all to attend.

The District Convention is just around the corner, scheduled for April 20 to 21 at the San Ramon Marriott Hotel, in San Ramon. Second Vice District Governor Sarah Enloe and myself are encouraging clubs to submit advertising to go in the Convention program. For a mere \$25 you can order a business card size ad and for \$50, a half page ad and finally for \$100 a full page ad. Get yours in early and advertise what your club has been doing or recognize someone special in your club.

I look forward to seeing many of you at the Cabinet Meeting and of course at the District Convention. And also looking forward to reading your monthly activity reports, so please ask your secretaries to share them with us.

1<sup>st</sup> Vice District Governor Doug Wight

## 2ND VICE DISTRICT GOVERNOR'S MESSAGE

Sarah Enloe

Dear Fellow District 4-C5 Lions:

As is to be expected, January 2018, the first month of the New Year was jammed packed with a myriad of exciting activities for the District Leadership team and myself. It is always fulfilling to start the new year successfully and know that it is a preview for the rest of 2018.

I was able to attend a couple of official District Governor (DG) Visitations with DG Nick and the rest of the Cabinet. These visits are always enlightening.

February is the shortest month of the year, but it is packed with Lions event. Before I continue, I must digress slightly and proudly announce an exciting event in our family. We are proud to announce that on February 2, 2018, we became grandparents for the second time to our first grandson – Baby Liam Mason, son of my youngest son, Anthony and Kerry. Our second grandson, is due to arrive in two weeks, son of my oldest son, Andre and Kathleen.

From this amount, each of the 15 District winners will receive a \$4,500.00 scholarship; each of the four Area winners will receive an additional \$6,500.00 scholarship; and the winner of the Multiple District Four Contest will receive an additional \$10,000.00 scholarship. For the schedule and/or additional information, please check the District Directory and/or visit our website at [www.district4c5.net](http://www.district4c5.net).

3 p.m. at the Light Christian Church, 7257 East Southgate Drive, Sacramento, CA. I encourage all Lions to attend. The theme of the Cabinet Meeting is "Lions Singing Idols". Please contact Cabinet Treasurer Dennis Kramer by February 12, 2018, to make your lunch reservations.

The next MD-4 Lions Leadership Institute - South will be held from March 10 -12, 2018, at the Ontario Convention Center and Airport Hotel, 2200 East Holt Boulevard, Ontario, CA 91761. This has been a busy year on my end as your 2nd Vice District Governor (2<sup>nd</sup> VDG) trying to keep up with my Lion's journey and family life plus continuing to learn all that I can in preparing for the next step forward. I have filed the required documentation with Constitution and By-Laws Chair PCC Richard Wilmot to run for 1st VDG and anticipate that it will be further announced during the next Cabinet Meeting on February 17, 2018, in Sacramento, CA. I am respectfully asking for the support of the District 4 -C5 Lions and for all eligible delegates to cast your votes for me during the District Convention to be held on April 20 -22, 2018 in San Ramon, CA. ## FORESTHILL LIONS: Embrace Lions KidSight

After partnering with the Lions KidSight Foundation, Foresthill Lions members were trained on the usage of the Plus Optix eyesight screener. They then teamed up with nurses at Foresthill Divide School in November, 2017, to perform eyesight testing on students in grades K - 4. Overall, the testing took four and a half hours, but was not completed, so a second session was scheduled. A total of 223 children completed vision screening, of which 12 children were referred for issues that may have not been detected otherwise.

The Lions received a lovely note from FDS school nurse, Tracy Castro, when the testing was complete, which said, in part:

“As clear vision has a huge impact on learning, I am thrilled that so many issues were found and that action can now be taken for correction. All of this would not have occurred without the partnership between the school nurse and the wonderful members of the Foresthill Lions Club. I look forward to a long, continued partnership with the combined goal of helping the community around us.”

Foresthill Lions wish to extend a special thank you to Lion Dave Johnson, of Auburn Host Lions, who provided the Plus Optix screener training to our members. The Club hopes to continue the eyesight screening program for new students on an annual basis.

## NCLSA: Purchases Mini-Van for Sierra Services for the Blind

### Northern California Lions Sight Association Purchases Mini-Van for Sierra Services for the Blind

On February 2, 2018, Northern California Lions Sight Association purchased a Toyota Sienna Mini-Van on behalf of Sierra Services for the Blind from Auburn Toyota. The purchase was previously approved after the Executive Director, Richard Crandall of Sierra Services for the Blind approached our board of directors for consideration of the purchase. Richard visited the board of NCLSA at a recent meeting and

1st VDG Doug Wight, Sierra Services Executive Director Richard Crandall, Sales person Bryan Evensen and PCC Dave Johnson standing in front of the 2016 Toyota Sienna Mini-Van following the purchase.

during that meeting the board approved a set limit for the purchase of a mini-van including tax and license.

Board member PCC Dave Johnson and myself made a couple of contacts with Auburn Toyota to set up an appointment which was scheduled for the afternoon of February 2, 2018. After looking at several 2017 new Toyota Sienna mini-vans, it was plain to see that the amount our

board approved, would not reach the sales price of a new vehicle. After some discussion, we weren't that far off, but were light by about \$4,000 to meet the suggested discounted price of the new van. However, the dealer had a gently used 2016 Toyota Sienna mini-van on the lot, and by the time it was all said and done, the purchase of the used vehicle was history and we saved about \$3,800 under our ceiling price. All are happy. The dealer for making a quick sale, Sierra Services for the Blind for our donating the cost of the purchase and both PCC Dave and myself for being able to keep the price within range of our maximum amount approved by the NCLSA board.

As a matter of history, Sierra Services for the Blind and Visually Impaired has been around since the beginning of the 1980s and is located in Nevada City. They offer counseling, advocacy, education, transportation and independent living skills and referrals at no cost to their clients. They currently serve just under 190 clients who are either legally blind or have severe sight impairments. Many of their clients are in their 80s or over that age and can not drive. The mini-van that they had been using for several years to transport their clients was a similar model to the one just purchased, but it had a lot of miles on it and was expected to cost them a lot in some short-term repairs.

Their agency is a non-profit 501(c)3 that looks to the public for donations to keep them running their business of providing services as described above. They were unable to purchase a new or newer mini-van on their own, so when I discovered their plight, I contacted Richard Crandall with a recommendation that he submit a proposal for NCLSA to assist them

in purchasing a new vehicle to transport their clients as needed. I made arrangements to have Richard visit one of NCLSA's recent board meetings. He provided the board with enough information to have the board take action and approve a financial donation towards the purchase of a new or newer mini-van.

for a project or wish to make financial donations, give Richard Crandall a call at 530-265-2121. They are periodically looking for members to sit on their board of directors, so if any Lion has some spare time on their hands, give Richard a call to see if there are any open positions on their board.

Sierra Services for the Blind and Visually provides services similar to the Society for the Blind in Sacramento, but to a smaller client base. If anyone is interested in additional information about their agency, check out [www.sierraservices.org](http://www.sierraservices.org)

I've included a picture of us at Auburn Toyota, taken on February 2, 2018 once the transaction was completed. It was an easy process from a local dealer that gave us a really good deal.

They are always looking for volunteers to assist, especially when they are trying to move a large group to a planned event. If any Lions in the Nevada or Placer County areas are looking

## LPCCI PRISION PUPPY RAISING PROGRAM: Local Support

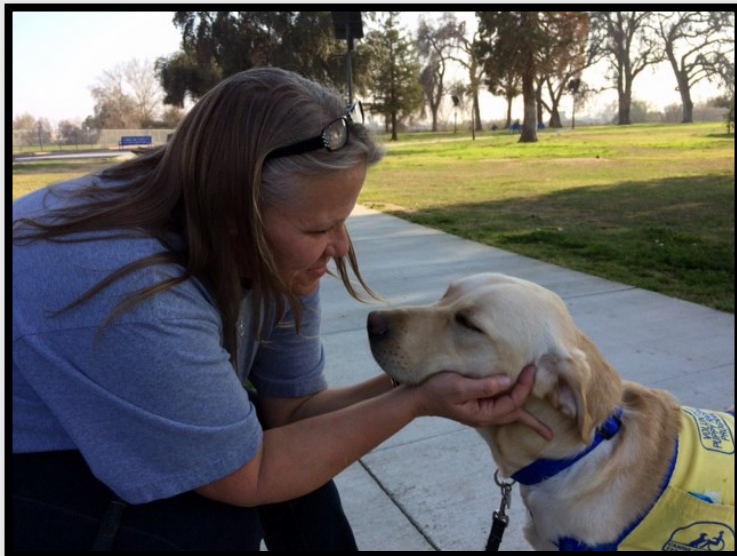

Photo: Former inmate handler, Donea Lewis visiting with her pup Naresh.

Your support of LPCCI, right here, in 4C5 really matters. If your club is already a member of LPCCI, we say thank you, thank you very much. Your help and support allows us to continue our mission of education, fundraising and finding puppy raisers and breeder caretakers for Canine Companions for Independence.

Speaking of fundraising, hopefully you have your tickets to the 28<sup>th</sup> annual LPCCI crab feed. We are sold out. Our thanks to Lions Clubs who generously give of their time and energy to help put on the event.

If your club has not yet become a member or renewed its annual dues, here's a couple facts that may help you in your decision.

LPCCI supports the puppy raising programs at Folsom Women's Facility – now with 7 pups in training with inmate handlers and the puppy raising program at the new California Health Care facility in Stockton, now with 5 pups in training.

The support is in the form of food and sometimes needed equipment, as our budget allows. The pups raised at these facilities are trained, cared for and loved by their handlers and the program is a favorite of visitors from other institutions and departments inside and outside the California Dept. of Correction and Rehabilitation.

I could tell you stories of the words and tears shared by the handlers in Folsom, but if you were at the cabinet meeting on 2/17, you saw and heard firsthand the good this program does before the pups even enter advanced training – on their way to fulfil their mission. I will say that this program not only touches the inmate handlers, but it spills over to the correctional officers, the wardens and other inmates as well.

## DONNER REGION LIONS: January Meeting

On January 16th Donner Region Chair, Tim Luckinbill, held a meeting for the Sierra and Foothill Zones at Higgins Lions Community Center. Over 45 Lions including VDG Doug Wight, Lion Diana Beer, Zone Chairs Judi Cowart Anderson and Mike Hill attended the meeting. Higgins Diggins prepared the dinner and provided bar service.

It was a very informative and educational meeting on all things "Lions" for the members from nine Donner Region Clubs. Thank you RC Tim!

## LIONS LITERACY PROJECT: The Future of America's Workforce

(Excerpts from ProLiteracy Blog, Jennifer Paulding, Author, 1/4/18)

It is becoming clear that there is a need for increased post-secondary education and technical skill training within the workforce. With our country's evolving workforce, a growing number of employers say higher education remains a primary factor in determining whether a candidate has the right qualifications, certifications, and professional interests to get the job.

According to recent research conducted by *Career Builder*, a high school diploma isn't as significant in the workplace as it used to be, and employers are raising the bar for who they will consider when hiring. The research revealed that in 2017, 41 percent of employers hired college educated employees for positions that had previously been held primarily by those with high school degrees. That was up from 37 percent in 2016. The research also concluded that 61 percent of hiring managers increased their education requirements due to developing technical skills that require more educated employees.

This means the need for more post-secondary education and technical skills training has grown for everyone, *especially* adult literacy learners

For students, a good education means:

- A higher income
- Improved health, wellness, and longevity
- Capacity to raise children who believe in the importance of learning
- Increased civic involvement
- Financial stability
- Personal development

Well-trained or educated employees are just as important to employers:

- An increase in productivity and higher-quality work
- Improved communication
- Increased employee retention
- Increased investment in equipment, advertising, etc.
- More innovation
- Revenue and profit growth

### The Role of Adult Literacy

The fact of the matter is that there is a multitude of reasons for employers to build a more educated workforce.

"Roles across the board, even entry-level positions, are evolving and becoming more complex, said Rosemary Haefner, chief human resources officer at *Career Builder*. "Employers are looking for workers with a solid knowledge base and skill set that can make an impact on the business right away."

## LIONS EDUCATION FOUNDATION (LEF)

We end the month of January with a bang. The second LEF Fundraiser, the **LEF Annual Soup-N-Salad Fundraiser** was held on January 27, 2018, at the Roseville Host Club House, 107 Sutter Avenue, in Roseville, CA. As expected, it was a rousing success. We are happy to share with you that we made \$3,800 plus. All proceeds will benefit District 4-C5 Lions Clubs' matching grant requests and Youth Programs. There was **FUN .... FOOD .... FRIENDSHIP .... PRIZES .... SILENT AUCTION!** Thank you to all the District 4-C5 Lions that turned out in force to support this worthy effort!

The remaining LEF Fundraiser is the Mel One-to Memorial Pasta Feud Contest to be held on March 31, 2018, starting at 4 p.m. at the Mother Lode Lions Clubhouse, 4701 Missouri Flat Road, Diamond Springs, CA. As with all the other LEF fundraisers, proceeds from this event will benefit District 4-C5 Lions Clubs' matching grant requests and Youth Programs. LEF Board Members are eager to come to your club and make a presentation on LEF. All you must do is contact any Board Member to schedule a visit to your Club. For contact information, visit [www.lef4c5.com](http://www.lef4c5.com).

Any Club within District 4-C5 can apply for a matching grant request to help them fund a Youth Activity of their Club. A simple guideline has been set up to qualify for the matching grant program. The Club must be current with their dues PAID to the District, MD-4, and LCI. Your MMR reports must be current. Upon completion of each project, a Final Grant Report is required and must be submitted to the Foundation. You can obtain a matching grant request form from LEF Secretary Lion Cathy Messier or visit our website at [www.lef4c5.com](http://www.lef4c5.com). Complete the form and attach your Club's check for half of the total request and submit the request to either the LEF Treasurer Lion Dave Pevny and/or Secretary Lion Cathy Messier. They will present the request to the Board at the next Board of Directors Meeting for review and appropriate action. Our mailing address is: Lions Education Foundation, P.O. Box 13523, Sacramento, CA 95853.

## LCI CENTENNIAL SERVICE CHALLENGE REPORT: JANUARY 2018

What a year for service. Though out our District we have had some great projects supporting all five area for the Centennial Service Challenge. I would like to congratulate all of our clubs that have reported their projects to LCI. My hat is off to the great Club Secretaries that we have serving each of our clubs.

As the Centennial Service Challenge draws to an end at the end of this and the final year, we do not stop in our support and assistance to our Communities. We still have a lot of club projects that go unreported. But we still have five months to get them reported to LCI.

Currently we have 13 clubs that have reported a project in all five areas and 14 clubs that have reported a project in four of the five areas. This totals 27 of our clubs (one half of all of our clubs) that has reported to LCI their outstanding projects.

Have you been reading the Lions Magazine? We have had several of our clubs recognized for their outstanding projects either in a half or full page article or a report that is taken off of your Monthly Activities Report (MAR) that you submit to LCI in the back of the Lions Magazine.

We still have time to make one final push to make this challenge great. We already lead the State of California in reporting our service projects. I have ask our Multiple District 4 Coordinator to see if she can get a report on how the rest of the states are doing. I don't think that you will find another District in the US that has accomplished as much as we have. Again this is all thanks to our great Club Secretaries over the past four years in making their MAR reports to LCI.

Please keep up the great work.

PDG Andy Anderson  
Centennial Chair
