District Governor Doug Wight's Message

Greetings to District 4-C5 Lions,

The month of July moved by very quickly. As I reported last

month, July 3 was our official installation in Las Vegas. All of the District

Governor Elects

assembled in the conference center of the MGM Hotel for the final plenary session. And as I reported last month, IPDG Nick pulled my District Governor Elect ribbon off of my DG badge and he immediately left to catch up with family for an afternoon flight to Chicago to attend a cousin's wedding. By the way, he and Lion JoAnn made it to the flight on time with little time to spare.

On July 4, Lion Diana and I left Las Vegas on a Southwest flight for Sacramento and it was one of the best flights I can recall with lots of room on the plane being about two thirds full. We arrived home safely and although Las Vegas was enjoyable, there is no place like home after such a long vacation. Yes, Lions trips are our vacations for the foreseeable future and I enjoy all of those trips visiting and catching with our family of Lions.

The following weekend was our District Cabinet Installation at the Higgins Lions Center on July 14th. We had a great time and if you saw some of the photos posted on Facebook, it was a unique installation with PCC Denny Grotrian as our installing officer, with assistance by Lion Susan during the installation.

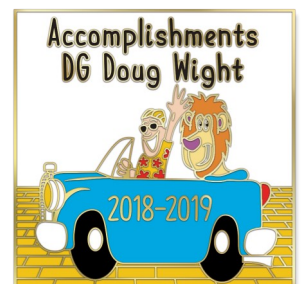

We have visited four clubs so far and only 49 more to go. Our first was our home club, Nevada City Lions, where I had the honor of performing the installation of officers, inducting a new member and sharing with our home club our experiences so far and plans for the year.

Additionally, we have held four training sessions for club Presidents, Vice-Presidents, Secretaries, Treasurers and all others. All have been attended by mostly

seasoned Lions who have held their positions in the past and a few new Lions who were new to the position. It was a great chance to learn and share during the training sessions.

On Saturday, July 28, Grass Valley Host Lion Secretary Ginger Jackson hosted the annual "Buckeye Lake" Governor's Dunk. No, it is not held at a lake, rather it was held at Ginger's home and her pool is where I was indoctrinated as so many other District Governors ahead of me have experienced. Years ago it used to be held at a local lake by that name until it dried up and from that moment in time forward Lion Ginger and her late husband Welcom Jackson hosted the annual event. This time, their President, Krista Putnam explained to me that we should plan to jump into the pool together and on the count of three, in we went at the same time. With the weather being so warm, the water was wonderful. I thank Lion Ginger and the Grass Valley Host Lions for hosting this wonderful event every year.

We are finalizing plans to hold our first quarterly Cabinet Meeting at John F. Kennedy High School in Sacramento on August 18, 2019. Sacramento Region Chair Lynn Ventura has been putting the final plans together and I encourage all members to attend. During the first hour, she will put on a forum for all present on Diabetes Awareness and during the day, there will be Diabetes screening. There are several other forums scheduled during the second and third hours. Following lunch we will reconvene and there will be a limited number of reports, but not as many as there have been in the past. We are requesting that all members wishing to share upcoming events to put your report in writing to Cabinet Secretary (CS) Jeri Retzlaff. Those reports will become part of our Cabinet meeting minutes. Additionally, the notices will be posted on our weekly E-Blasts, so please submit those to Tony Santos as well in order that they can be included in the weekly E-Blasts. See page 20 for email address.

DG Doug Wight's Message Continued

We are looking forward to the club visits in the upcoming months. CS Jeri has been working with all of the clubs to verify visitation dates. As in the past, we attempt to visit the foothill clubs before winter sets in as there could be snow storms to deal with in January and February for those of us living in the foothills.

Besides the club visits we will be attending numerous events during the next few months, such as anniversary dinners, crab feeds, wine tasting events and many more fun events. If your club has dates set aside, get those dates to CS Jeri, Lions Tony Santos and Kitty Kramer, so that Lions can plan their calendars.

And lastly, it's not too early to think about conventions coming up. The Multiple District Convention is in your backyard, the Sacramento Doubletree Hotel from February 8 thru February 10, 2019. The special speaker will be Third Vice President Brian Sheehan, a dynamic speaker.

Our own District Convention is scheduled for April 26 thru April 28, 2019 at the San Ramon Marriott. This year's theme is "Paint Your Wagon."

And while taking that ride down the Gold Road of Lionism, the Pot of Gold at the end is filled with new members, new projects and new clubs on the horizon. Please join in filling the pot to the brim with those new members, projects and formations of new clubs.

A parting word is to pray for all of those affected by the recent horrific fires in California, both in the north and throughout the state, and especially the fire fighters and first responders who have put their lives on the line as they have done so many times in the past.

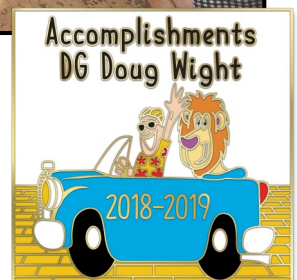

All my best to you, your District Governor,

Doug Wight

"Ride the Gold Road of Lionism"

DG Doug and other Lions enjoyed an afternoon at the annual DG dunk hosted by Grass Valley Host Lions. Club President Krista Putnam introduced DG Doug and they both jumped into the unusually warm pool. Time to dry out! With Lions Mark Steffens and Mike Hill!

1st Vice District Governor Sarah Enloe's Message

Dear Fellow District 4-C5 Lions:

As I begin my second month as your 1st Vice District Governor (VDG), I can hardly believe that July started off with a loud LIONS ROAR which was our 101st Lions Clubs International (LCI) Convention! Then just as quickly, it disappeared in the blink of eye, but it was filled with a ton of activities and a lot those activities sprang from the new programs announced at the Convention.

On July 14, 2018, Lion Carle and I attended the District 4-C5 Installation where our new District Governor (DG) Doug Wight and his Cabinet were installed. It was an entertaining and interesting evening with an innovative installation ceremony conducted by Past Council Chair (PCC) Denny Grotrian and assisted by Lion Susan Grotrain, his lovely wife.

This year as your 1st VDG, I will be working closely with Past District Governor (PDG) Mike Retzlaff, our District 4-C5 Global Membership Team (GMT) Coordinator. Our focus will be on increasing the District membership numbers by recruiting new members, helping to retain our current members, and chartering new Clubs.

I will also be working closely with PDG Andy Anderson, our District 4-C5 Lions Clubs International Foundation (LCIF) Coordinator. We will be focusing on the implementation of the new LCIF **Campaign 100: LCIF Empowering Service**, which is one of the

Campaigns that was announced at the LCI Convention. We are celebrating a century of service while working to support Lions' efforts for the next 100 years and beyond. With financial support from Lions, other donors and partners, the Foundation is committed to raising **US \$300 million by June 20, 2021**. It's an unprecedented goal, but one LCIF is confident we'll reach together.

As I mentioned in my first column last month, District 4-C5 held four Club Officers' Training sessions during July, one for each of the Regions. Just a friendly reminder to all new Clubs Officers who possibly were unable to make of these training sessions, please ensure that you monitor the District 4-C5 website for an additional upcoming training for new Club Officers which will be forthcoming soon.

Lion Carle and I will miss the first District 4-C5 Cabinet Meeting hosted by Sacramento Region. Our youngest son, Anthony, is getting married on August 18, 2018, in Maui, Hawaii. We will see you all upon our return.

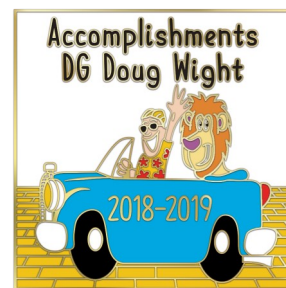

As a final note, the fire season is upon us here in California especially in the Redding area, the Carr Fire is wreaking havoc with our Lions families and everyone and there are other fires throughout California. We ask that you keep everyone in your prayers, especially those putting their lives on the line fighting these vicious fires.

Stay cool and be safe.

Sincerely in Lionism,
First Vice District Governor Sarah Enloe

Lions Clubs International
FOUNDATION

2nd Vice District Governor Cat Gon's Message

Hi Lions,

Well! We are all getting down to business as usual within the District. IPDG Nick McNicholas has sent out the schedule for Plans for Club President, Vice President, Secretary, Treasurer, and other officer trainings and are in full swing. I urge all newly installed officers to take full advantage of these training sessions. As we move into our next 100 years of Lionism, technological advances are becoming the preferred method of reporting club activities, updating membership statistics and data, and contact with fellow Lions and club members. Those clubs vying for the **"TOP CLUB"** competition, these trainings are essential for contention.

District 4-C5 Club Officers Training was conducted on:

- Donner Region on Saturday, July 14, 2018
- Dos Rios Region on Saturday, July 21, 2018
- Washoe Region on Saturday, July 28, 2018
- Sacramento Region on Sunday, July 29, 2018
- Zone/Region Chair on Saturday, August 4, 2018

A fifth and final Club Officers training session is being scheduled and will be announced soon!

With the future rollout of MyLion, instructions

for how to access and report will be an invaluable tool to every club officer. Even the most seasoned veteran secretary may need to learn more prior to implementation.

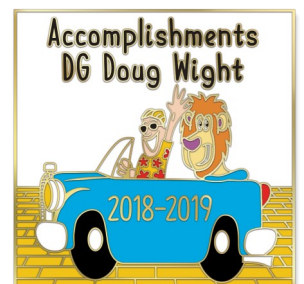

Our first Cabinet meeting of the new year is just around the corner, August 18th. Great forums and information will be made available. This is traditionally the best attended Cabinet meeting. Information pertaining to upcoming events such as foundation fundraisers, more leadership seminars, and our 2019 District Convention (**"PAINT YOUR WAGON"**) will be made available.

Learn more about our foundations, including: Folsom Project for Visually Impaired, Lions Education Foundation, Northern California Lions Sight Association, Lions Project for Canine Companions for Independence, Special Kids Day, Lions Clubs International Foundation and the new grant application process will be available, to name a few). Please see District Chair PDG Andy Anderson for more information.

As always, I am here to assist you with arranging additional training if needed and hope that all prospective future officer would take advantage of all these training sessions.

Enjoy the remainder of your summer, stay safe, and stay cool!

Sincerely,
Lion Cat Gon

Global Leadership Team

Submitted by IPDG Nick McNicholas

While packing for the International Convention in Las Vegas, I was contacted by the then DG Elect Doug Wight and asked if I was interested in Chairing the District Global Leadership Team (GLT).

Now a that time, in my little pumpkin head, I assumed that I would be given some type of task(s) to do for the DG; however, beyond that, I saw my civilian life coming back to me. Of course, even though those thoughts were dancing

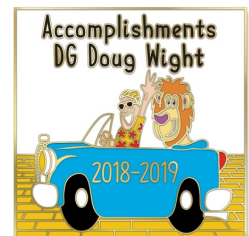

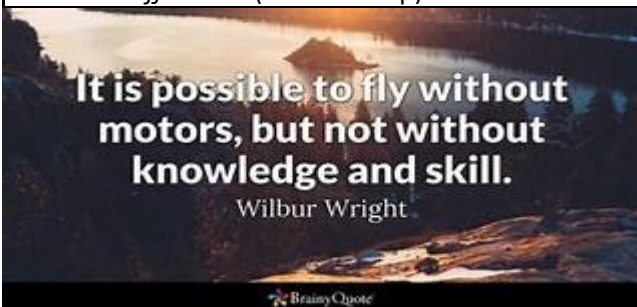

through my brain, the chance to be offered (as an educator) the GLT position was something I could not pass up.

Since that day, I have playing catch-up. Therefore, a BIG Lion THANK-YOU goes out to PDG Andy Anderson for grabbing the reigns and working with the Region Chairs to set up some initial training dates for the Club Officers.

We have completed all four regional training sessions, and at this point our numbers look like:

Donner Region – 12 Clubs	Clubs Represented

PINS FOR PUPS FUNDRAISER

Submitted by ZC Mark Steffens

I personally would like to thank everyone who participated in the Canine Companions for Independence PINS FOR PUPS! With your support, we had a fabulous, amazing event (110 bowlers)! It was so thrilling to hear so many people cheering, laughing, having a blast and some making new friends! WOW! We had nine bowlers that bowled 300 perfect score games! Over 20 people received one hour of free bowling! It was wonderful to see all our canine companions puppies and service dogs in attendance. A big thank-you to the Country Lanes for all they did to help me make this event possible. Proceeds from this event was \$2,081!!

A Family of Lion Members Serves Their Communities

Submitted by DG Doug Wight

The Nevada City Lions held its Installation of Officers and Directors at Seaman's Lodge in Nevada City on July 11, 2019. The installing officer was newly elected Nevada City Lion District Governor Doug Wight, who has been a Nevada City Lion member since the fall of 1990.

Among those Lions present was a family of five dedicated Lions in their club who serve their community either as a group or individually. DG Doug Wight is the brother of Lion Diana Beer, who is the Donner Region Chair; the uncle of Lion Jackie Wapp, who is the Sierra Zone Chair; and the great uncle of Lion Jamie Beer. The Nevada City Lions are one of the few Lions Clubs in the State of California with three generations of Lions. Also part of the family of Lions, is Lion Jackie Wapp's husband, Lion Jim Wapp, who was named as District Partner In Service during the April 2014 District Convention. Lion Jim became a member

in August of 2014.

During the evening, President Mike Hill presented DG Doug Wight and Lion Ina Elrod with a Progressive Melvin Jones Fellow pin, one of the highest recognition awards from Lions Clubs International.

The Nevada City Lions have served their community since 1947 and most recently has been working on installing a shelter at the Narrow Gauge Museum in Nevada City for passengers that will be waiting for a train trip at the historic museum. The playground at Pioneer Park was adopted by the Nevada City Lions several years ago which includes the large play structure that the club purchased with financial assistance by the City of Nevada and other donations from the public. The club was also instrumental in the installation and paving of the basketball court near Seaman's Lodge.

IPDG Nick McNicholas's DG Appreciation Dinner

Approximately 60 Lions and guests attended IPDG Nick's DG Appreciation Dinner to recognize his Executive Cabinet team, DG Advisors and Committee Chairpersons for all of their hard work during 2017-2018. The event was held on Saturday, July 21st, on a sweltering evening; however, since we were inside the Roseville Sunrise Clubhouse, it was definitely more bearable!!

DG Nick requested the dinner prepared by Lion Jeremy Price (Taste of Tuscan) and his team consisted of a "Santa Maria" style tri-tip, seasoned pinto beans, salad, garlic bread, and a chocolate cake for dessert. Compliments to the chef and crew for a delicious meal!

After dinner, DG Nick presented certificates and/or ribbons for contests that are not presented at the District Convention. These include:

100% Club Presidents	100% Club Secretaries
Carol Puphal, Penn Valley Hi-Grader Lions	Bruce Puphal, Penn Valley Hi-Grader Lions

Hooks and Needles Program

Submitted by Lion Chris Gerard

When you think of a group of prison inmates, does giving back to the community come to mind? How about crocheting? Well, I can tell you firsthand about a group of inmates in Folsom State Prison that do both and in many ways.

Folsom Lake Lions and the inmate group, Hooks and Needles, at Folsom State Prison have partnered to help others in our local, and not so local communities, for six years. The idea is simple, the Lions gather donations of yarn, the inmates crochet things with it and then the Lions distribute these items to non-profit groups supporting the homeless or underserved. We have provided items to 16 different non-profit groups.

Lions have delivered an average of 955 items a year of articles like hats, scarves, gloves, purses, blankets, booties, hair ties, and stuffed animals of all shapes and sizes, to those in need. Is the work creative, fun and of high quality? You bet it is, and the California State Fair Crochet judges agree. The men won three awards for items shown in 2017, their first time entering.

This project provides needed items and spreads a little toy, joy, and comfort to those involved all the way around, but wait, it gets even better.

As Lions, this project touches our hearts as we pass one gift made with care and love to someone who needs it, will use, and is thankful for it.

About once a year, we are invited to share the project results with the men in the group face to face. We tell the men of the places that have received their items and how thankful the individuals are that receive them. Maybe you can imagine our surprise and delight to hear that those men also elected to give a financial contribution to our club. I don't mind saying I was in tears. They told us to do something good with it. We will!

How is giving financial donations possible? Well, Folsom State Prison usually holds outside food sales four to five times a year. The inmates may purchase this food. Proceeds from these sales go to non-profits identified.

Over the past year donations have been presented to 916 Ink (a nonprofit that works with at risk juveniles through writing), Vietnam Veterans, Veterans of Foreign Wars, American Cancer Society, the Sacramento County Youth Activities League, Bridges to Life (victim's impact group), and Narcotics Anonymous as well as Folsom Lake Lions Club.

Want to see this groups work first hand? There will be several award winning items on display in the California Crafts area at the California State Fair this year!

Woodland Reville Lions Clubhouse News

Reprinted from the Daily Democrat, Woodland

After debate and discussion, members of the Woodland Reville Lions Club have decided to sell their fire-gutted clubhouse.

The information came from Club Secretary Mike Horgan, who informed the city's Deputy Director of Community Development Stephen Coyle.

Members of the Reville Lions Club lost the 3,180-square-foot building at 417 Lincoln St., April 4, in an early morning blaze which crept up the northwest side of the structure and swept through the interior.

It's believed a transient dragged a mattress to the northwest side of the structure and started a small fire which got out of control. The fire was reported around 3:30 a.m.

The decision was reached following a Monday gathering of Reville Lions members John Lynch, Larry Miller and Horgan with Coyle, local developers, architects and others in the building industry.

Horgan told Coyle via an email that he appreciated the "informative and productive conversations regarding requirements, alternatives, and constraints the club faces in determining a course of action for the fire damaged building."

After listening to the various opinions another presentation was made to club members who "voted unanimously to not repair nor reconstruct the clubhouse, but to put the property up for sale."

Members of the club had limited options. They could have decided to gut the structure (believed to have been built in 1894 or 1910) and remodel it, tear it down and rebuild or simply sell the property, pocketing the insurance settle-

ment and any money made in the sale of the property.

It would be up to whomever bought the property to decide what to do with it, but most likely it would be torn down with the land used for some other purpose.

Anyone rebuilding the structure would have to pay to meet state building codes, which includes a sprinkler system and handicapped access.

There is also believed to be asbestos in the standing walls, which would have to be removed. The cost of the work could easily exceed any insurance payment to the Lions Club and trying to raise money from the community would have been a long-term effort.

The Lions Club members and others met inside the shell of the building that was constructed as a Unitarian Church and remodeled beginning in the 1941 by the Town and Country Club.

The fire burned through much of the roof but left a number of interior cross-beams intact. Also basically undamaged was the kitchen area as well as the restrooms.

While no one knows precisely how much it would cost to rebuild the structure, rough estimates ranged from \$800,000 to as high as \$1 million, about double what the Lions Club received in an insurance payment.

NOTE: As of August 2nd, the Club committed to tearing the building down.

New Meeting Place—the club is meeting at 6:45 a.m. on Tuesday mornings at the Denny's on West Street at I-5. Ordering from the menu, so please be there early so breakfast will be served before the meeting begins at 7 a.m.

The Placer County city of Colfax has a tradition of celebrating the 3rd of July. Each year a day full of family activities is enjoyed to the local community and visiting neighbors.

The Auburn Journal newspaper reported the event, stating that 10,000 people gathered on the streets of Colfax that Tuesday from noon to 10 pm for the annual Colfax 3rd of July Celebration. The celebration includes two parades: at 6 pm for kids on the level ground of Main Street, and the 7 pm Colfax Lions Club parade. The Lions parade is a popular event with many non-profit and for profit groups participating with floats and marchers.

Where There is a Need, There is a Lion

Submitted By Lion Bing Ventura

The Maharlika Lions Club answered the call to help the Carr fire victims who lost more than 1,000+ homes to the fire in the Redding/Shasta area. The Board decided to allocate \$200.00 to purchase the items in the fire victims wish list and called friends and relatives to ask if they can donate as well. So, a few Maharlika members headed by Sacramento Region Chair Lynn Ventura and Lions Bing Ventura, Myrna Agbunag, Vicky Debord, Vannie Powers with Partner in Service (PIS) Long, PDG Bert Melliza and PIS Julie started soliciting the items in the fire victims' wish list. By Friday, August 3, the club was able to collect items valued at around \$800-\$900 and dropped them off at the Elk Grove police station on Laguna Palms St., the staging area for all donations. The club's contribution may just be a small fraction of the greater need, but "No act of kindness, no matter how small is ever wasted."- Aesop.

Items donated:

- Bottled water & juices (Capri Sun and Kool-Aid)
- Canned goods- Spam, luncheon meat, canned beans, soup cans, vienna sausage, potted meat, canned vegetables
- Several cases of baby food, diapers and wet wipes
- Adult underwear and disposable briefs
- Blankets, pillows, and comforters
- Cookies and other snack items
- Breakfast cereals, hot chocolate packages
- Napkins, paper towels, plastic spoons and forks
- Shampoos and soaps
- Other personal hygiene items

Way to go Marharlika Lions!!

Where There is a Need, There is a Lion

Submitted By Lion Susan Schoppe

Dee Mautino was a charter member of the Grass Valley Foothill Lions and was also the first female mayor of Grass Valley. During her tenure as mayor, she helped establish a new park in Grass Valley which was named in her honor. Our club adopted the park and over the course of many years helped beautify the entrance.

Last year Lion Dee asked the club if we would consider making or purchasing a new sign for the entrance. Lion Ted Schoppe, with the help of his daughter Nicole Schoppe, came up with several proofs which Lion Dee approved.

Working with the City of Grass Valley was a very frustrating experience. After many months they finally approved our sign. One thing we would not change is the beautiful blue hat in the lower right-hand corner. Anyone who knew Dee, knew that she had a hat for every occasion and this one was her favorite.

We had an unveiling of the sign at the park on July 17, 2018, and unfortunately Lion Dee passed away earlier this year. Foothill Lions attending the dedication were: Ted Schoppe, Mary Hudson, Arnie Romanello, Jack Kuhwarth, Al Koolhof, George and Sandy Woods, and Karen and Bill Mitchell. Also, in attendance were Nicole Schoppe, Dee's daughter, granddaughter and two great-granddaughters. The present mayor of Grass Valley and two former Grass Valley mayors also attended. We're pretty sure that Lion Dee is smiling down on us!

Lions Club International Foundation Campaign 100 – Empowering Service

WHAT IS LCIF? Lions Clubs International Foundation (LCIF) is the charitable fundraising and grant-making arm of our global organization. Every day, LCIF works to fulfill our mission: to support the efforts of Lions clubs and partners in serving communities locally and globally, giving hope and impacting lives through humanitarian service projects and grants.

WHAT DOES THE FOUNDATION DO? Thanks to the selfless sacrifice and dedication of thousands of Lions, LCIF has been able to grant more than One Billion to Lions service projects and partnerships around the world. The generosity of the Lions community has allowed LCIF to give sight, to support youth, to provide disaster relief and to address a wide range of humanitarian needs.

WHY IS THE FOUNDATION IMPORTANT? LCIF is the world’s largest and most effective service organization. LCIF allows us to extend and magnify that impact on a global scale.

INTRODUCTION TO CAMPAIGN 100: LCIF EMPOWERING SERVICE

Campaign 100 is the foundation’s next transformational campaign. Through Campaign 100, LCIF will raise \$300 million (over the next three years) to increase our service impact; fight diabetes; and expand our global causes. Campaign 100 will allow us to serve more than two hundred million individuals per year by 2021 and ensure that Lions have the resources we need to expand our global causes and impact.

Campaign 100 has three areas to increase our service:

Increase our service impact by:

- ◆ Expanding our current programs
- ◆ Focus on vision, youth, disaster relief and humanitarian causes

Fight Diabetes by:

- ◆ Reducing the prevalence of diabetes
- ◆ Improving the quality of life for those diagnosed

Expand our Global causes by:

- ◆ Identifying the areas of greatest need and opportunity within hunger, childhood cancer and the environment
- ◆ Conducting pilot projects
- ◆ Developing sustainable, long-term programs

My next article will include: “Why is it time for a campaign?” How will Campaign 100 strengthen our foundation?” and “What could my donation accomplish?”

Club Presidents, I will be stopping by each one of our clubs to speak with you about LCIF Campaign 100 and how you can help strengthen our foundation. Thanks for serving your communities.

Visionary Report

By Lion Bing Ventura, NCLSA Board of Directors, Washoe Region

The Northern California Lions Sight Association (NCLSA) is a non-profit corporation whose members are all Lions in good standing from Lions Clubs of District 4-C5. The Board of Directors are composed of four elected Directors from each of our four Regions, along with our Immediate Past NCLSA President, the current District Governor and our Immediate Past District Governor. The NCLSA meets at the Sacramento Café and Brew, 925 3rd Street, Sacramento, CA, 95814, the first Wednesday of every month at 7:00 p.m. All Lions are welcome to attend the meetings. If you are interested in serving on the NCLSA Board, please contact a current Director. Our website is www.nclsa.com. Clubs are encouraged to become a VIP Member and please remember to pay their VIP dues.

Please support NCLSA by buying an Award. For additional information, please visit the NCLSA website at www.nclsa.com and then click on Trust Awards, to view prices and pictures of the plaques. Contact Director Cecille Baylon at (916) 397-6391 or email Cecille.baylon@live.com and/or any NCLSA Director, if interested in ordering awards.

Vision Is Possible (VIP) – To date, there's no eye surgery done or scheduled. The Board has approved a \$20K donation to UC Davis Grand Rounds program. This will benefit the patients as well as the practicing professionals participating in the program.

Vision Screening Unit – In May 2018, there were two outings scheduled for the Vision Screening Unit (VSU). On May 15, 2018, Roseville Sunrise Lions Club used it for a vision screening at the Veterans Stand-down. On May 19, 2018, Woodland Reveille Lions Club used it for a vision screening at the Special Kids Day in Woodland, CA.

In June 2018, there was only one outing scheduled

for the Vision Screening Unit (VSU). On June 2, 2018, Grass Valley Foothill Lions Club used it for a vision screening at the Community Day in Grass Valley, CA.

In July 2018, there were two outings scheduled for the VSU. On July 28, 2018, Elk Grove Lions Club used it for a vision screening at the Kohl's Child Spree in Elk Grove, CA. and on July 30, 2018, again Grass Valley used it for another vision screening at the Community Day in Grass Valley, CA.

If you are interested in reserving the Sight Van, mail the reservation form and check to NCLSA Vision Screening Unit, c/o Joe Bowers. His telephone number is (916) 267-8504 and email address is evoc504@gmail.com. The Reservation Form is available on NCLSA website at www.nclsa.com under Vision Screening. Please send check and reservation form together. Do not hesitate in reserving the van. The calendar is getting full! VIP clubs may reserve the unit 12 months in advance.

Also, the Plusoptix screening devices are available to all clubs at District 4-C5 for \$25.00 per day. For additional information, please contact any NCLSA Director and/or your Region Chair to reserve the unit.

Currently, NCLSA is seeking additional QUALIFIED DRIVERS for the Vision Screening Unit. These drivers need to have experience driving large recreational vehicles, school buses, and/or tractor-trailer type trucks. If interested, please contact any NCLSA Director Lion Joe Bowers at (916) 261-8504 or email him at evo504@gmail.com.

Fundraisers for NCLSA – There are new NCLSA Pins which feature the Vision Screening Unit (VSU) for sale at \$5.00 each. Additionally, they are still selling old VSU pins. If you buy a set of 2 pins (old and new VSU pins) they are \$8.00 for a pair. Please contact one of the Directors if you desire to purchase a pin.
