District Governor Doug Wight's Message

Happy Mid-Fall to District 4-C5 Lions.

I began the October column with stating how quickly the months are flying by and this month coming up is no different than the earlier months. It has been a fast three months, but also three very rewarding months so far. I

thoroughly enjoy visiting all of your clubs and hearing all that you do for your communities.

Lion First Sister Diana Beer and I just returned from the Council of Governors combined make up for the August meeting, plus our current set of meetings in Santa Maria. The Council of Governors was hosted by District Governor David Hubbard of District 4-A3. For those of you unfamiliar with what takes place at these quarterly meetings, it is an opportunity for all fifteen District Governors to put their heads together and review how our goals and action plans for each of our District are coming along. In the case of District 4-C5, we are holding our own with membership, but as with most District Governors, I would like to see many new members added to club rosters each month.

That brings up a subject in membership reporting. Each month, our District Global Service Chair, Donna Prince and I, are constantly reminding clubs to report membership numbers by filing timely Monthly Membership Reports (MMRs). We also remind those that submit the reports to try to file well before the end of each of the months being reported. Several club secretaries continue to wait until the last day of the month to report membership. You need not wait. Most secretaries know a few days before the end of a given month how many members the club has on the roster, so why wait to file on that last day of each month? It's even easier when no membership numbers change. All you have to do in those cases is click on the "no change in membership." It takes a couple of

seconds to do so and you're done for the month on the membership numbers.

Soon with the new *MyLion* app up and running, it will be much simpler to file activity reports. As a matter of fact, once that app is up and running, any member can enter activities. Watch for the announcement soon.

And by the way, the Multiple District Four Lions (MD-4 Lions) are now branded "California Lions." A new and easy to navigate website was released on Monday, October 29, 2018. I invite you to take a look. The website is www.CaliforniaLions.org. The thoughts going into creating the new website is to make it much easier for a non-Lion to look at what we do rather than seeking out the www.MD-4lions.org website which still exists. The new website makes it much easier for individuals and often large companies to access what Lions do in the state.

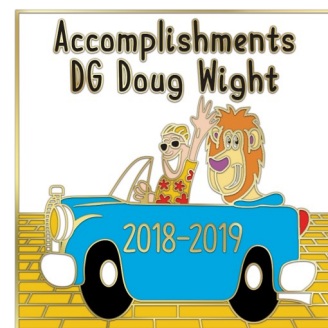

Our next Cabinet meeting is scheduled for November 10, 2018, at Pioneer High School in Woodland. Please try to attend and don't forget to reserve lunch by contacting Cabinet Treasurer Sheri Retzlaff. We will be honoring Veterans during the meeting and will have many interesting forums for all to attend.

Thanksgiving is just around the corner, with Christmas knocking on the door. I wish all of you the very best in the upcoming Holiday Season. Have a wonderful time celebrating all that we are thankful for during the busy season. And please keep good thoughts in prayers for those that put their lives on the line to protect all of us.

I, once again, close with wishing all my best to you and yours.

1st Vice District Governor Sarah Enloe's Message

Dear Fellow District 4-C5 Lions:

Daylight saving time has finally arrived! We have fallen back and gained a much-needed extra hour of sleep! October was another very busy month for District

Governor (DG) Doug, myself, 2 Vice District Governor (VDG) Cat and the rest of the Cabinet. As I previously reported, I have been accompanying DG Doug and the rest of the Cabinet throughout the District on his official DG Visitations.

The International Food Fair was held at the Folsom Community Center, Folsom, CA on October 14, 2018. Proceeds will benefit the District Leadership Grant. We are encouraging all the Lions of District 4-C5 to prevail themselves of this resource for future leadership training assistance.

The Valley Hi Lions Club celebrated their 36th Anniversary and the 2018-2019 Installation of Officers on October 20, 2018, at the Evan's Kitchen in Sacramento, CA. Congratulations and Happy Anniversary to Valley Hi Lions Club and its members for their 36 years of dedicated service to the community.

From October 26 through 28, 2018, I, along with DG Doug, 2VDG Cat, and other Lions of District 4-C5, attended the Multiple District Four (MD-4) Fall Council of Governors (COG) Meeting at the Radisson Hotel in Santa Maria, CA. Due to the CAL Fire, our initial MD-4 Organizational COG in August 2018 had to be cancelled. Due to this unfortunate circumstance, the Fall COG was an extended by one extra day to facilitate special intensive Preparatory DG Elect training for the MD-4 1st VDGs. This was an excellent training session for the 1st VDGs. We came away with a lot of valuable knowledge that will be very beneficial when we become DGs next year.

The 2nd District Cabinet Meeting is fast approaching on November 10, 2018 and will be hosted by Dos Rios Region at Pioneer High School, Woodland, CA. Please contact Region Chair Dennis Kramer for more information at (530) 662-3896 or email wischisen1@aol.com.

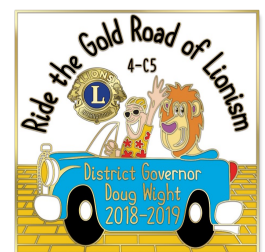

World Diabetes Day is November 14. Take steps to fight diabetes. If you haven't started planning a diabetes service activity yet, or if you want to do more, you can support this important global cause at any time. Please visit the [Diabetes Service Journey website](#) for access to educational materials, planning resources, and more. Also, don't forget to send your club members to the site. You all have one more chance to enter to win a Fitbit Charge 2 and answer another fun poll question!

Once again, we are asking for your continued support by placing an ad in our Convention Program. This is your opportunity to advertise your Club Fundraisers; celebrate your Clubs successes; honor your Club Officers; recognize your New Members; and much more. The deadline for the Convention ads is March 1, 2019. Please submit Ads in jpeg (*preferred*); Microsoft Word; Publisher; and/or PDF format to: catgon@att.net. Send payments (make checks payable to District 4-C5) and a hard copy of your ad to: 2nd VDG Cat Gon, 32 Sunlit Circle, Sacramento, CA 95831-1657. Also see ad on Page 27.

Thanksgiving is just around the corner and I would like to close by wishing all District 4-C5 Lions and their families a very Happy and Bountiful Thanksgiving Holiday. I look forward to seeing you during the upcoming visitations and other events in the District.

Sincerely in Lionism,

Sarah Enloe
First Vice District Governor

2nd Vice District Governor Cat Gon's Message

Hello Lions,

I hope that all had a Happy Halloween ... Lots of Ghouls and Goodies! Just returned from our Council of Governors Meeting and suffering from information overload. Since the August Council was cancelled due to the CARR Fire in Redding, this meeting was doubly intensive. Training was emphasized and intensive. We were all pushed to the maximum. Which brings me to what is offered to our Lions here within our District.

Our District offers excellent and continuous training in nearly any subject area you would like to enhance your leadership skills. Supplement that training by enrolling with "Lions University", a year-round online webinar training program provided by the USA/CANADA Leadership Forum (not Lions Club International) to insure you have the skills and resources to meet the objectives of building strong communities through volunteer services. For instance, courses included Effective Club Meeting; Conflict Resolution; Club Secretary and/or President training; Member Motivation and Public Relations just to name a few. Checkout the excellent webinars by going to www.lionsuniversity.org.

There is still space available for you to attend the

Application for the **District 4-C5 Lions Educational Grant**

Program is available to any C5 Lion in good standing. Just Ask! Form is available upon request. This grant fund is subsidized from proceeds from our annual **International Food Fair**. This year's International Food Fair was held Sunday, October 14, 2018. Please refer to ZC Bernie Milmoie [milmoe@comcast.net] for an application.

The Holidays are quickly approaching, and we continue to serve in many diverse ways. We will be seeing many of you during the District Governor Official Club Visitations. It has reinforced my belief that we are a strong District consisting of diverse and committed Lions from the smallest to the largest Lion Clubs in the execution of humanitarian services to those less fortunate in our respective communities --- Thank You for allowing me to join in on the wonderful journey!

I would like to invite everyone to attend our second District Cabinet Meeting scheduled for Saturday November 10, 2018, at Pioneer High School in Woodland. Come see and enjoy a day packed with something for everyone: from entertainment, food, many action-packed forums; a fabulous lunch; canines and humans who will keep our heads and minds whirling for days to come. Our host will be Dos Rios Region Chair Dennis Kramer who has chosen the Cabinet Meeting theme "**In Honor of our Veterans**" whereby he and his Zone Chairs have many innovations for all of us to enjoy. **Please remember to confirm your lunch reservation by November 6 to Cabinet Treasurer Sheri Retzlaff [ct@district4c5.org].**

Remember that the deadline for **free District 4C5 convention registration ends on November 10th**. You can make your arrangements with Registration and Housing Chair Gayle Kono at the Cabinet Meeting. Registration form is available on www.district4c5.net website.

CALIFORNIA LIONS Multiple District 4 Convention will be coming to Sacramento on February 8-10, 2019. Lions Clubs 3rd Vice President, Brian Sheehan will be our International guest and keynote speaker. The [Registration form is available on www.district4c5.net](http://www.district4c5.net) website.

The Holidays will be here all too soon and we continue to serve in so many diverse ways with innovative, selfless methods, carrying out your amazing acts of kindness! Keep up the great work remembering that one small act of kindness may seem negligible to you but monumental to the recipient.

Happy Thanksgiving to you and your families from ours. Have a Blessed Holiday!

Honoring Veterans-Remembrance Day

Reprinted from The American Legion

After World War I, the poppy flourished in Europe. Scientists attributed the growth to soils in France and Belgium becoming enriched with lime from the rubble left by the war. From the dirt and mud grew a beautiful red poppy. The red poppy came to symbolize the blood shed during battle following the publication of the wartime poem "In Flanders Fields." The poem was written by Lieutenant Colonel John McCrae, M.D. while serving on the front lines.

On September 27, 1920, the poppy became the official flower of The American Legion family to memorialize the soldiers who fought and died during the war. In 1924, the distribution of poppies became a national program of The American Legion.

Led by the American Legion Auxiliary, each year members of

The American Legion Family distribute poppies with a request that the person receiving the flower make a donation to support the future of veterans, active-duty military personnel and their families with medical and financial needs.

Poppy Day is celebrated in countries around the world. The American Legion brought National Poppy Day® to the United States by asking Congress to designate the Friday before Memorial Day, as National Poppy Day.

On May 25, wear a red poppy to honor the fallen and support the living who have worn our nation's uniform.

THE AMERICAN LEGION FAMILY
NATIONAL POPPY DAY®

IN FLANDERS FIELDS

In Flanders Fields the poppies blow
Between the crosses row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved, and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

2019 Convention Registration

Teach an Adult to Read...Inspire The World to Change

Submitted by *Lion Alan Archer*

Adults across the country need help to gain basic literacy, math, or computer skills that will enable them to succeed as workers, parents, and community citizens. When adults reach their educational goals, their families and communities grow stronger.

You can bring optimism and enthusiasm, create positive energy, and share diverse perspectives that lead to enhanced learning outcomes for students. Become an adult literacy volunteer and help empower an adult learner to reach their full potential to participate more fully in society.

Who are adult learners?

Adult students who attend classes are over the age of 16, represent all races and genders, and come from all economic and social backgrounds. They may have completed high school or left before graduation, but did not acquire the literacy and comprehension skills they need to be successful.

- **Basic Adult Literacy:** Tutors work with adults who wish to improve reading and writing skills.
- **High School Equivalency (HSE):** Tutors help adult students prepare for their HSE exams by tutoring them in one or more subject areas including math, science, social studies, writing, or reading.
- **English Language Learning (ELL):** Tutors help students learn to speak, read, and write in basic English..
- **Math:** Tutors teach math skills, ranging from basic numeracy to algebra and geometry.
- **College and Career Readiness:** Tutors help adults who have earned their high school diploma or equivalency degree prepare for college or brush up on their reading, writing, or math skills to gain employment and job search skills.
- **Citizenship:** Tutors help refugees and immigrants learn English, history, and civics in order to pass the U.S. naturalization test.

- **Digital Literacy:** Tutors help adults gain the basic computer skills they need to survive and thrive in today's digital world and workplace.

Who can volunteer?

When it comes to volunteering, passion and positivity are the main requirements. Tutors should be passionate about sharing their skills and knowledge with adults who want to improve their reading, writing, and technology skills. Anyone with reasonable levels of reading and numeracy can get involved. Consistency is important to learners, so you will need to commit to a regular weekly time slot.

Successful adult literacy volunteers have the following characteristics:

- Dependability, promptness, patience, flexibility, and friendliness
- Interest in diverse cultures and stories
- Ability to relate to people from many backgrounds
- A willingness to provide respectful and relevant instructional content
- A willingness to work with and take direction from program staff
- Interest in serving the community
- Ability to speak, read, and write English fluently

What is the time commitment involved?

Most literacy programs suggest that a new tutor meet with their adult learner at least once a week for 1½ to 2 hours. Maintaining this time commitment is important in helping the student acquire his or her skills as quickly as possible. Tutoring may be scheduled for any day or time agreeable to both the Tutor and Student. Most programs ask tutors to consider making a commitment for at least 6 months.

Continued on next page

Teach an Adult to Read...Inspire The World to Change Con't.

Do I need training?

Yes! It's fun, you'll learn a lot, and you'll become a more confident and effective volunteer. It is a great service to your learners to be better trained to tutor them.

Do I have to be an expert in English grammar?

No. Anyone with basic reading and writing skills can become a volunteer. Resources are available to you to sharpen your skills.

Where do lessons take place?

Tutoring is conducted in libraries or in other public locations convenient to both the learner and the tutor.

How do I get started?

Contact your local library and ask for their Adult Literacy Program Coordinator. For assistance contact Alan Archer, District Literacy Project Chair - 530-558-5276 or email: archer3636@suddenlink.net

New Broken Quill Inductees

Dos Rios Region Chair Dennis Kramer and
IPCS Kitty Kramer

Some of you may not know that Cabinet Secretaries and Treasurers get inducted into the Broken Quill club formed many years ago as a way to honor those that have served the district. It's an honor and privilege to follow in the footsteps of so many past cabinet secretaries and treasurers.

A group of about 25 Lions, including many Past District Governor's (PDGs) that served in these positions were present to show their support for the newest inductees, Lions Dennis and Kitty Kramer. Also in attendance was the Immediate PDG Nick McNicholas, current DG Doug Wight, and 2nd VDG Cat Gon.

Past Cabinet Secretary Cecelia Macias and Past Cabinet Treasurer Scott Rogalski were in charge of arranging the event.

During the ceremony, a special Broken Quill pin was presented to Lions Dennis and Kitty, and to symbolize their

term was completed, they each broke a feather quill.

Many thanks to those that attended this special event and continue the legacy of this group of Lions that serve(d) the district.

flowers during the induction

Editor's Note: It was erroneously reported in last month's bulletin, that Lion Frank Baily (Loomis Lions) passed away. Lion Frank did not pass away; however, Lions Tom Ward and Gil Martin did pass away. Our condolences on your loss.

California Lions Foundation-New Website

A new, additional website (www.californialions.org) has been developed to showcase the Lions of California specifically to non-Lions. The website describes the Lions Clubs of California, as who we are, by what we do, promoting: City of Hope, Lions in Sight, Lions Eye foundation, California Lions Foundation, Lions Clubs International Foundation, Lions Float, Inc., and similar partner associations. Note that acronyms such as Multiple District 4 (MD-4) are not present in this public targeted Lions Clubs promotional effort and that the text and photos are intended to appeal emotionally to a younger audience.

The MD4 Council of Governors recently authorized that the new website be launched, as-is, to the 20,000 Lions of California. As a measure of success, we will monitor whether additional not-for-profit and for-profit business partners will request inclusion on our website going forward. We will also track the quantity and track the number of website hits and how long users spend on the site and on each page. The end game is to use the website as a marketing tool with California corporations to entice to partner hand-in-hand in community service including monetarily and in new Lions Clubs We want their logo on our website and the Lions logo on theirs.

The Multiple District 4 website (www.md4lions.org) is still in use, focusing on internal use.

District 4-C5 Disaster Preparedness Trailer

Dear District 4-C5 Club and all members,

Our District has received a \$10,000 matching grant from the Lions Clubs International Foundation (LCIF) to purchase and stock a Disaster Response trailer. This 7'x 14' x 6' tandem axle utility trailer, will serve as a place where Lions will be able to distribute emergency food, water, tools, etc. as collected by Lions and the affected communities.

In order to finalize the purchase and stocking of the trailer, the District needs to raise its matching amount which is \$1000. If every club can donate \$20.00 (it can come out of your community funds) to this effort, we will be able to purchase and stock this trailer before Thanksgiving. If a club or individual wishes to donate more than the \$20, any funds above and beyond the matching amount will be used to keep the trailer stocked as the money will go into a Disaster Response Trailer restricted account.

Just so you know, the trailer will be towed to any area

within our District that has suffered from a wildfire, flood, earthquake or any other sort of natural disaster. The trailer will be dispatched as needed by the direction of the District Governor, by the District Disaster Preparedness/Disaster Response Team. By the way, District 4-C1, our neighbors to the north, has used their trailer a lot over the last few years.

Please send your donation to District 4-C5, 6921 Mitchlen Court, Sloughouse, CA 95683 and please put DISASTER RESPONSE TRAILER in the memo section.

Thank you in advance for your generous donations. If more information is needed, please contact me at mikeretzlaff@sbcglobal.net.

Sincerely,

PDG Michael C. Retzlaff, District Disaster Preparedness/Response Chairman

Lions Club International Foundation - Campaign 100 – Empowering Service

Submitted by PDG Andy Anderson, District 4-C5 LCIF Coordinator

Goals – How do we establish our goals for our Clubs and District? How do we define our minimum target?

What is the Campaign's goal?

The overall worldwide goal for Lions Club International Foundation (LCIF) is \$300 million by June 20, 2021.

Why do we need to have goals?

Setting goals at every level give our leaders specific and manageable expectations for their region's (club's) participation and support of LCIF: Campaign 100.

Who sets our goals and how will they be set?

District goals are set by the District Governor, Executive Cabinet and the District LCIF Coordinator. Club goals are set by a Club's Board of Directors. Goals are set by multiplying your total number of membership versus an amount established by the Executive Board or Club Board of Directors.

Example: Club XYZ has 25 members, multiplied by \$150 (for each member) would equal \$3,750. This amount would then be divided by three for a yearly target of \$1,250 per year. If you take this target and divide by 12 months it would equal \$104.16 each month for a club.

As a leader, you know your club's best. You will have ownership over your goals and your plans to achieve your goal. Each Club starts with a minimum fundraising target. You may adjust your goal up from the minimum target.

To help your club members reach the total club's goal, you would have to determine your fundraising project. Your annual fundraising goal along with sup-

port from your club members, support from non-lions and businesses will assist you in reaching your Clubs goal for the year.

Type of Fundraising Project:

Your club has many fundraising projects each and every year. Your first look at fundraising would be if your club wanted to earmark one of your current fundraiser projects for LCIF. Most of your projects are already selected for a great cause and this would not work. Then your club would have to think outside of the box and come up with an additional fundraising project. You would want your members to have fun at this event while supporting LCIF. Bowling, golf, card tournaments, old-fashioned BBQ in the park, Bingo night, garage sale or a dinner are some of the types of fundraising events that your club could put on. Remember that all of the funds received from this event would assist your club member's totals for the LCIF!

LCIF Club Coordinators Duties and Responsibilities

Submitted by PDG Andy Anderson, District 4-C5 LCIF Coordinator

Position Overview:

As the Club Lions Club International Foundation (LCIF) Coordinator, you will serve as an ambassador for LCIF for your Club during Lions' most historic and ambitious campaign ever. Your direct efforts will impact and ensure the success of this campaign. You will implement LCIF strategies in your club; educate Lions about the importance and impact of LCIF locally, regionally, and around the world; track progress towards benchmarks and goals; and encourage your fellow club members to support LCIF in all aspects. You will be the guiding force directing the success of the campaign in your Club, inspiring support through your own leadership and commitment.

- ◆ Serve as the chief spokesperson for the LCIF campaign in his/her club
- ◆ Implement strategies and promotes the campaign at Club meetings and events
- ◆ Collaborate with the District Coordinator (DC) and Club officers to coordinate efforts in his/her club
- ◆ Assess fundraising opportunities and potential in his/her club
- ◆ Work closely with the DC and Club President to establish goals and measures of accountability
- ◆ Communicate progress and provides motivation to his/her club
- ◆ Identify potential community partners and participates in requests as appropriate
- ◆ Offer and welcome support in addressing challenges within the Club

Skills and Qualifications:

- ◆ Background of leadership positions and responsibilities in the Club and currently active in Lions
- ◆ Deep commitment to Lions, LCIF, and the campaign
- ◆ Sound judgment, positive and enthusiastic attitude
- ◆ Skillful and diplomatic
- ◆ Decisive and pragmatic
- ◆ Utilize fundraising strategies and relates well to the work

Measuring Success:

- ◆ Achieving Club goals
- ◆ Achieving a specific per-member average
- ◆ Increasing the number of club members contributing to LCIF
- ◆ Increasing the total amount of club contributions to LCIF
- ◆ Increasing the number of MJF's awarded in his/her Club

Reporting Structure: The Club LCIF Coordinator reports to the LCIF District Coordinator, keeping his/her Club President in the loop.

Time Commitment:

- ◆ Attendance at the Club Coordinator training and Club meetings, as well as completion of online training courses, is essential
- ◆ The Club Coordinator will also provide updates to the Club President and be present at Officer meetings as necessary
- ◆ Position will require as much time as needed to meet the club's goals
- ◆ Provide quarterly to the DC the current status of the Club's LCIF goals

MD-4 Leadership Training

Interested in learning more about being a leader in Lions? Whether you want to learn more in order to help you as a club officer, district Governor, this training may be beneficial to you! In addition, the type of training provided can help in every day life or building work skills! Past topics for this training included Conflict Resolution, Public Speaking, Motivating Club Membership, Working in Teams and others.

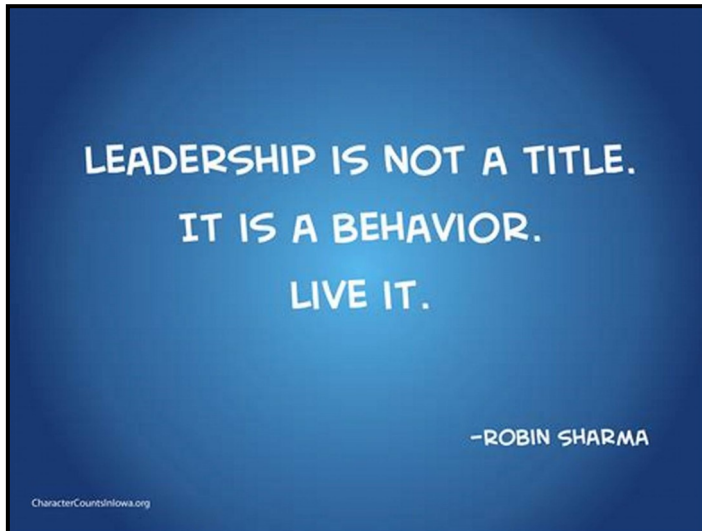

This training is provided in Northern California

from January 26 through 28, 2019, at the Earl Baum Center for the Blind, 4539 Occidental Road, Santa Rosa. Lodging to be determined.

There is a nominal fee of \$300 (\$420 single); however, we suggest that you apply for a grant for \$100 through Lions Education Foundation (before attending), ask your club for \$100, and you would pay \$100. Please refer to ZC Bernie Milmoie [milmoe@comcast.net] for an application. Also see 2VDG Cat Gon's column.

You also meet and work with other California Lions while building your leadership skills. The application is located at: <http://md4lions.org/glt>

If you know of any potential leaders in your clubs, please let them know about this training!!

The October Council of Governor's (COG) meeting was held at the Radisson in Santa Maria the weekend of October 24—28th.

This was the first COG since the August meeting was cancelled due to the fires near Redding.

The District Governor's (DG), 1st and 2nd Vice DG's from all 15 districts meet to discuss and/or obtain training essential for their job duties.

Others attend as MD4 Committee members (Youth Exchange, Long Range Planning, Marketing/Info Technology) to plan their goals for the current fiscal year.

Woodland Host Lions delivered hats and scarves donated to the club by Doni Soto, a recent cancer patient. She made these sets during her recovery. This was a very kind and generous gift. Woodland Host Lions delivered them to the UC Davis Pediatric Cancer Center in Sacramento on October 9, 2018.

Colfax Lions Club is proud of the success our 2nd Annual Car Show held on August 18, 2018. A variety of vehicles were on display at the show and it was exceptional! The community turned out to enjoy the day and the Lion's grilled hamburgers were a hit. Gold Country Lions supported our event and brought caramel corn to sell. We would like to thank all participants and look forward to next year!

September 15 and 16, 2018, found the Placer County city of Colfax deep into celebrating its railroading history with Railroad Days. Colfax sits along the western portion of the first transcontinental railroad line and was the southern terminus of the Nevada County Narrow Gauge Railroad. Today Amtrak, the national passenger rail system, continues to provide service to Colfax.

Colfax Railroad Days was a well-organized event lead by Colfax Lion Fred Abbott and his wife, Reene Abbott. Union Pacific Railroad brought equipment into town for the community to climb aboard and enjoy. UP representatives presented the City of Colfax with a commemorative golden spike encased in a glass box. The engraved message reads: "Towns developed, and the bond between UP and the early settlements grew. As we celebrate the 150th Golden Spike anniversary, UP is proud of these long-standing community relationships."

The Colfax Area Historical Society had the Heritage Museum open. The Placer Sierra Railroad Heritage Society had their refurbished caboose open to the public. Several toy train clubs brought layouts to enjoy. A special display about the Chinese Railroad Workers Memorial Project was popular (<http://www.crrwmemorialproject.com>). Members of District 4-C5 Camellia Lions and Senator Lions were working this project booth.

Vendors, including the Gold Country Lions Club caramel corn, and a car Show'nShine rounded out the weekend. Colfax Lions helped with gathering raffle prizes, coordinating the Show'nShine, working the information booth, distributing event programs and selling food and drinks. The public turnout on each day was wonderful with lots of children and adults enjoying the event.

Where There is a Need, There is a Lion!

Gold Country Lions, inducted a new member into our club in September. He is 26-years old Buie Mi-Dum, and spent a good portion of his youth as a homeless person with his mother. As such, he has a passion for helping the homeless. He had been trying to give out jackets to homeless people. He would get a jacket donated or if he could afford it, he would buy one from a thrift store.

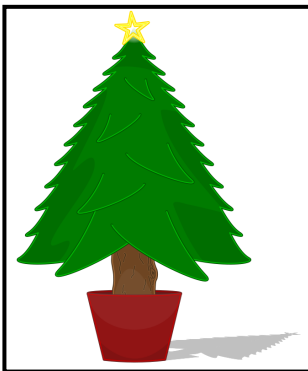

went a little further and Lion Ken e-mailed other Lions Clubs in their area and asked if they could help by collecting jackets from members and friends. Within three weeks, over 125 jackets were collected and delivered to their local homeless shelter. There may have been more delivered directly to the shelter - but have no way of knowing.

This is a good example of how we can take a new idea from a new member and combine our efforts and make a difference. Good example of Lions in action!

As Lion Buie's mentor, Gold Country Lions Secretary Ken Eslick, asked him if he could drive him to homeless encampments and deliver jackets when he had some. They

Downieville Lions will begin cutting Christmas Trees for their annual fund raiser on Saturday, November 10th. Trees will go on sale in Downieville and Sierra City the day after Thanksgiving for \$4.00 per foot.

In addition, every year the Downieville Lions help host the Miss Jody Thanksgiving Dinner from 1:00 pm until 4:00 pm on Thanksgiving Day. The event began many years ago, as a dinner for the elderly and less fortunate members of our area and has evolved to a community gathering where everyone is invited. Donations made, at the dinner, benefit the Western Sierra Food Bank

which serves over 100 Western Sierra County residents. Lions Club President, Mike Galan, will be making his "special" mashed potatoes to accompany the turkey, gravy, dressing, vegetables, and a large selection of desserts.

Where There is a Need, There is a Lion!

On October 27th, the **Lions clubs of Nevada County** joined together to create Pasta Elegante, a fund-raising event to enhance Lions Lake at the Nevada County Fairgrounds with picnic tables, shade covers and benches.

Inspired by Lion Arnie Romanello, the participating clubs were:

- ◇ Foothill Lions Club,
- ◇ Higgins Diggins Lions Club,
- ◇ Penn Valley Hi-Graders Lions Club,
- ◇ Gold Country Lions Club,
- ◇ Grass Valley Host Lions Club,
- ◇ Nevada City Lions Club,
- ◇ Colfax Lions Club

fishing haven for any boy or girl who could assemble a willow pole, string and safety pin.” The lake was completed in 1950 and opened for kids fishing in April 1951. Since that time, it has become a popular fishing spot for Nevada County youth with an annual fishing derby sponsored by the Grass Valley Sportsmen.

Lions dishing up the pasta!

It was a marvelous evening for the local Lions clubs to join together for a common purpose by serving delicious dishes of pasta, including Clams Linguini, Aglio Olio, and savory meatballs in a marinara sauce.

A lively pie auction capped off the

evening. The event was supported by Cirino's at Main Street, SPD Market in Grass Valley and Markstein Beverage Co. The NEO Club provided impressive young people to assist with serving and to also raise funds for their organization.

Since the fund-raising event, the Lions have met with the fairgrounds to select sites and begin the installation of the picnic tables. Originally the lake was created by the Grass Valley Lions Club in 1950, when their members converted the fair's pasture into “a

Over the years, the lake has experienced significant erosion and developed an overgrowth of weeds. In April of this year, the Nevada County Resource Conservation District

engaged in a habitat restoration project which involved removing silt and trash from the lake and creating new walking trails. It is the commitment of the six Nevada County Lions clubs to continue to steward the beautiful lake with a focus of providing Nevada County youth a safe and beautiful haven to enjoy casting in a fishing line with family and friends.

Where There is a Need, There is a Lion!

Under the auspices of **Delta Lions Club**, a Leo club has been formed at Delta High School. There are currently seven members and they have elected their officers. As interest increases, it is expected that membership will increase.

Lions Dave Pevny, Beth Tan, and Cecille Presley visited the **Foresthill Lions** on October 16th to talk about City of Hope. Lion Dave was able to explain the significance of why Lions help fund this world class hospital and their cancer/diabetes focus. For more information on the City of Hope, visit www.cityofhope.org.

They had to have everything ready by 7 am because the kids started class at 7:45 am. The kids are so polite and really appreciated what was done for them. And we have a great time doing it!

If your club hosts a **Lion's Literacy Project** (Reading Contest) at your local schools and you have not contacted the school officials yet, please do!

Our project has grown within our District to over 50 schools, we are reaching out and encouraging students to read books for pleasure and personal enrichment. A valuable side effect is we are improving literacy rates for all students!

I am asking Club Presidents or Secretaries to **email me with the number and names of the schools where you hold contests**, so I can update my records.

Kudos to all the clubs who sponsor contests and if your club is interested in this project, please let me know. I will be happy to give a presentation.

Where There is a Need, There is a Lion!

Higgins Diggins Lions Club has joined the efforts of Crimson Tattoo of Auburn in their efforts to help people experiencing emotional crisis with the “Notes of Hope Project”.

This project provides messages of encouragement that are laminated and zip tied to the rails of the Foresthill Bridge in Auburn. The notes provide something for people considering jumping from the bridge to think about and to help them change their minds to end their lives.

The Foresthill Bridge is the tallest in California at 730’ and since it was built in 1973 it has been the site of 87 suicides.

Foresthill Bridge with notes attached

Higgins Diggins Lions donated \$100 to help with the cost of laminating sheets and zip ties, as well as writing notes of hope for posting.

A table will be set up at the November 10th Cabinet Meeting to give Lions the opportunity to write their own Notes of Hope. Supplies will be available, as well as sample notes.

Folsom Lake Lions member, Karen Prince, discovered Feed My Starving Children (FMSC) about three years ago when a packing event was being held at her church in El Dorado Hills. She thought it seemed like a great way to involve our Lion’s Club in volunteerism

for a good cause. Members worked that first year and it has grown in member participation every year since. Everyone who has worked this event has really enjoyed it and FMSC staff makes it fun. Founded in 1987, FMSC is a Christian non-profit that provides nutritionally complete meals specifically formulated for malnourished children.

William Jessup University in Rocklin has been the location of the event the last two years. Approximately 400-500 volunteers show up, get a quick rundown of the

process and with hair nets in place, move to the huge packing area.

The mission is to pack meals, a meal feeds a family of four and includes soy, rice, dried vegetables and vitamins. It’s quite a process with a team of about eight, scooping, bagging, weighing, sealing and packing the meals into cases. The music blasts to keep you energy level high.

On our work day, in just two hours, our team of 409 volunteers packed over 98,500 meals, or enough for 269 children to get one warm meal every day for a year. Amazing!
