The Heart of a Lion

Lions of District 4-C5 mourn the passing of Douglas McSwain Wight, who passed away at home on May 27, 2022 at the age of 78. PDG Doug, a Nevada City Lion, served as District Governor from 2018-2019 ("Ride the Gold Road of Lionism") and as Cabinet Treasurer this past Lion's Year. He will be remembered for his exceptional kindness and dedication to helping others.

DG DONNA PRINCE

“SERVING TOGETHER FOR THE GREATER GOOD”

Dear Lions and Leos,

Congratulations to each one of you in District 4-C5 for your dedication to serve the needs of others during our past Lion’s year!

Once again, our District was a model in Multiple District 4 and beyond for stepping up in areas of Leadership, Membership, Service and donations to Lions Clubs International Foundation (LCIF).

Our District remains strong with a strong succession of leaders in our Clubs and District. District Governor Tim Luckinbill and Partner in Service Mary Ann along with the 2022-2023 Cabinet, including 1VDG Zenny Yagen and 2VDG Vicky Brady, will bring new energy and ideas to continue with the legacy of service in 4-C5. We will continue to provide goods and services to thousands of people in need of help just as we have done for over 50 years.

Some highlights of our past year include meeting food insecurities of the hungry, scholarships to high school graduates, improving literacy rates through District-wide reading contests, meeting vision needs through collection of eyeglasses for the Folsom Project for the Visually Impaired, cataract surgeries through Northern California Lions Sight Association, and providing eye exams and glasses. Our clubs and members supported Camp Ross Relles by sponsoring cabins, Deaf Campers and meals at the annual August camp. Additionally, the matching grant program from Lions Education Foundation provided clubs with funds to support our youth and educational programs.

Many clubs continued with and adopted new community service projects to help protect our environment, including planting trees, cleaning roadways and parks, recycling materials, and our first year-long District wide environmental project sponsored by Maharlika Lions: the safe collection and disposal of expired and unused medications. These are just a few examples of the great community service our Lions initiated and performed this year.

Our District was a model in Multiple District 4 and beyond for stepping up in areas of Leadership, Membership, Services and donations to LCIF.

Because of us, people in our District benefited from the generous grants from LCIF and the California Lions Foundation (CLF) this year. Three grants from LCIF were approved this year; one was completed and two are still in the process of completion.

The first approved was the \$200,000 matching grant (started in PDG Cat Gon's year) to purchase medical devices for early screening of diabetic retinopathy and amblyopia at UC Davis satellite areas. The second grant was the \$10,000 Emergency Grant to help purchase supplies for the evacuees of the Caldor Fire. Nearly all 49 clubs in our district pitched in to help with this project and donated additional funds and supplies. Our District Chair, Cabinet Secretary Evelyn Butler, assisted by our District Lion of the Year Jeri Retzlaff, did an amazing job of organizing the donations and distribution of goods in less than three weeks. The last grant for \$12,000 was approved in late June and we are still in the process of donating the funds. This Community Impact grant will help fund food banks in all four of our District Regions that have been hard hit during COVID.

While our District was the beneficiary of three LCIF grants, we collectively supported LCIF by donating nearly \$70,000 from our clubs and individuals! This is an amazing accomplishment and our LCIF Coordinator PDG Andy Anderson played an integral part in reaching this milestone.

***We collectively supported
LCIF by donating nearly
\$70,000!***

Several clubs received CLF grants for their projects including Back to School supplies, hunger and environmental projects. Watch for more opportunities in the new year for your club to submit grant request for projects.

Congratulations! Our District grew in membership this year! In June 2021 we had 1254 members. We ended the year with 1318, a net increase of 64 members! This

is the first time in many years that we ended in the positive. Many clubs accepted my challenge to add 4 new members this year, and they did that and more. Special recognition goes to Golden State Lions with a net increase of 18 and Davis Aggies and Sacramento Camelia both with a net increase of 10.

At the end of June, we welcomed our newest Lions Club, the Rio Linda Elverta Country Lions Club, which chartered with 31 and is still adding members! PCC Derek Ledda and Lion Stacey Bastian were instrumental in forming this new club and Stacey will serve as the Charter President. Be sure to attend the Charter Night for this new club when it is announced soon.

For the third year in a row all 49 of our Clubs reported Service Activities on MyLion. Kudos to Lion Jeri Wartena, our District Global Service Chair, for helping Club Officers achieve this goal!

Looking back on the past year we are so grateful for having the opportunity to serve as leaders for the best District in MD-4 and beyond. We enjoyed our club visits where we made new friends and had the opportunity to catch up with long-time friends. It was so inspiring to hear the excitement from Lions when they shared their legacy projects and their new ideas on ways to serve.

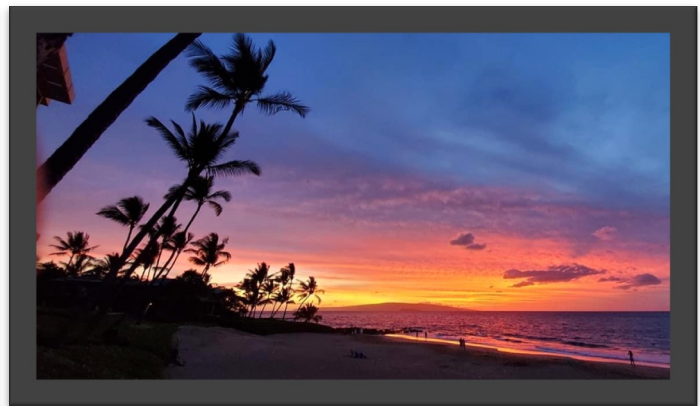

As District Governor, I had the best Cabinet of Officers, Committee Chairs and members, and worked with the most dedicated Foundation Officers any Governor could ever hope to serve with. I thank each of you for your willingness to serve and work along with me this year. You are all amazing and I am forever grateful for you and our friendship.

To our members, you went above and beyond, and the success of our District reflects your commitment to serve and make this a better world.

Congratulations to our new DG Team, led by District Governor Tim Luckinbill. Another great year is ahead for District 4-C5. We will continue to grow in membership, expand our services to help more people and raise funds to support our endeavors.

Thank you for a memorable year, Lions and Leos of 4-C5, you are forever in our hearts!

GREETINGS FROM DGE TIM LUCKINBILL

LEADERSHIP ON THE HORIZON

Dear Lions:

It's a great day to be a Lion. After working for the past couple of years climbing the ladder of Lionism, the top rung is in sight. In a matter of days you will have a new Governor. DG Donna is counting down the days she is still in office and I'm counting the days when I'll be leading 4-C5 Lions. Our District will still be the best District in MD-4. Other than taking care of District business with my Cabinet, Lionism is going to be very busy and on the road to many successful projects.

One of my goals is to work a project with my 4-C5 Lions Clubs. I want to get to know you like a good neighbor so don't leave me out because I'm a busy Governor. I want to be busy with YOUR Lions Club. I'm only a phone call away; put me to work.

I would like to THANK a small group of Lions that I have worked with and taken some good advice from as I get closer to the start of my Year as Governor. Good Lions as they are; they don't want to be named, but I can't say enough about the help they have given me this past year. Hats off to this hard working staff that have volunteered their free time to help me. If you see a cabinet member in a cabinet uniform, thank them for their service to you and District 4-C5.

One other person I can't say enough about is my lovely wife Mary Ann. She has been by my side helping me through the studies, the travels, the meetings and all the busy work that it takes to get where I am now.

A BIG THANK YOU TO MARY ANN, I truly couldn't do it without her by my side. *Photo credit: Antonio Santos*

Club leaders - please plan to attend the new Club Officers Training that GLT Lion of the Year Jeri Retzlaff is putting together in the coming month. It is very important that new officers attend. In the past few months there have been so many changes in State Tax Laws, Constitution & By Laws, Policy and Procedures that it isn't just a social club anymore. We have to run the club like a business. For a few hours of your time you will learn what to expect as a club officer. Even for the Lions that have held the office for many years, it is time to refresh your knowledge of your duties so please plan to attend. If you miss the date scheduled there will be a make up class for you.

Have some fun working as a Lion this Summer. Our paths will cross hopefully at a work project. Thank you for your service.

INSIGHTS ALONG THE JOURNEY TO DG

Hello Fellow Lions,

I cannot believe this Lions year is almost over. I have genuinely enjoyed serving as your 2nd Vice District Governor. I have not only learned so much about Lionism, but also have met so many great Lions in our District and throughout the Multiple. I will always treasure this past year – the support many of you have given me has given me the confidence to continue – it is very empowering.

I want to thank District Governor (DG) Donna Prince. She served as my mentor. I will always be grateful for her trust and appreciated our candid discussions. This is what helped me as a 2nd Vice District Governor. I am sure you will agree that DG Donna served as a great leader for our District; she was always looking for ways to ensure our District maintains its outstanding reputation.

As I mentioned above, I have learned much about Lionism, but I have learned just as much about leadership. I find that observing and talking with our District leaders (not just the PDGs or PCCs but also Club Presidents) serve as my aspiration to be an effective leader.

While we have so much to be thankful for – all the things we accomplished, we must also remember the legacy of Past District Governor Doug Wight. He was a big part of the District.

I am looking forward to our next Lion's year, serving under the leadership of District Governor Tim Luckinbill and with his Cabinet. It is going to be another exciting year.

1st Vice District Governor Elect Zenny Yagen

Country Club Scholarship Chair Lion John Boss with 2022 Lion Tom Bonner Scholarship Recipients Kathleen Huynh and Leah Adams

Lion Tom Bonner was a Fair Oaks Businessman and was a member of the Fair Oaks Host Lions Club for over 50 years. During that time, he provided leadership to keep the Club active in providing community service to the Fair Oaks Region. He single-handedly resurrected the Club by sponsoring dozens of new members during the last 15 years. He was known as "Father Tom" to these new recruits. One of his favorite activities was organizing the annual "White Cane Days" fundraiser to allow the Club to provide financial assistance to those needing eye exams and new glasses. In 2020 the Fair Oaks Host Lions Club consolidated with the Country Club Lions Club, who are committed to continuing the scholarship.
