Making Strides Against Breast Cancer

By Washoe Region Chair Kitty Kramer

On Sunday, October 16th, ten Lions, their friends and family walked in the Making Strides Against Breast Cancer Walk at the State Capitol. IPDG Donna Prince made signs that displayed the Lions logo and District 4-C5 team name.

Between personal donations and club donations, we raised \$6,321 for this event, ranking us #6 amongst the 200 teams with \$400,000 raised overall! Donations are accepted through Dec. 31, 2022—contact me at denandkitk@aol.com. Please consider donating to the 2023 walk in your club’s 2023-2024 budget.

This is the most we have raised for this event, so I am really proud of our team! Thank you to all the clubs and Lions who donated!

“SERVICE, LIONS LENDING A HELPING HAND”

Happy Halloween District 4C5,

It is hard to believe that the first quarter of the Lions year has come and gone. Don't take it lightly because there have been new members added, a new club added, great projects throughout the District and lots of fun times sharing ideas and working together to make this a better place to live. WHERE THERE'S A NEED THERE'S A LION!

As I visit the clubs in our district, I'm introduced to some of the hardest working Lions in the country. It has been a real pleasure to visit, meet and work with you all. That was one of my goals this year to get out and serve. The District Clubs have helped me accomplish this and you all have invited me to come along. THANK YOU!

We are a leading district in MD4 (California) with the number of people we have served, number of dollars donated, number of hours worked, number of eyeglasses collected, and so on. I see what other districts are doing and they are also working hard, but 4C5 keeps setting the bar very high. I'm very proud when 4C5 is always at the top of the list. Again, THANK YOU and keep asking me to attend your projects, I love them.

I know that Halloween is in the next day or so, but there is a lot of planning going on already for the Holidays. Turkey dinners being planned to feed the hungry, toys being collected for children that don't have much, trying to restock food banks for the holidays and more. Keep up the hard work, it really makes a difference in our communities.

Washoe Region is planning a great Cabinet Meeting on Oct. 30th at the Folsom Community Center. It will keep you occupied for a good part of the day with interesting topics for you to enjoy and learn what is going on in your community.

The Zone Meetings that I have attended have stepped up the game with some good reporting from their clubs and Zone Leaders. Each Zone meeting that I attend shows me that the zones and the district are doing their very best to serve their communities. If you have never been to a Zone meeting or a Cabinet meeting please plan to attend one. You will be amazed what can be learned and shared at these meetings. It is all good information.

With Veterans Day in a few days , I wanted to share this short video with you (see below). If this doesn't touch your heart for what our "boys" went through, I don't know what would. Always remember our VET'S and our MIA'S.

ENJOY THE HOLIDAYS,

DG Tim

INSIGHTS ALONG THE JOURNEY TO DG

Hello Fellow Lions!

I hope you and your families are doing well and enjoying this cool weather.

At the Filipino Community of Sacramento and Vicinity's FilAm History Month Celebration on October 8, 2022, the six FilAm Lions Clubs (Mabuhay, Valley Hi, Midtown, Maharlika, Golden State, and Malaya) were honored as the ICONS along with other outstanding and distinguished Filipino leaders.

I had the honor and privilege of accepting the award on behalf of the six Lions Clubs. As I was preparing my acceptance speech, I wanted to talk about Lionism, especially since there were many people attending the celebration who may not be familiar with what Lions do. Since the award was going to the six Lions Clubs, I wanted to focus on the achievements of these Lions Clubs, in terms of how many people they served; number of hours they performed serving; number of service projects, and the total amount of donations. Because my acceptance speech had to be short, I could not report those activities by club, rather, I reported in the numbers in aggregate. While I was collecting the data from My Lion, it was interesting and impressive.

For this article, I decided to expand my research on My Lion to determine the same data for all the clubs that I had previously collected for the six FilAm Lions Clubs. The following report covers the current year (July 2022 – September 2022) and last year (July 2021 – June 2022) as reported by the clubs. The following shows just how busy the clubs were last year and how they continue to serve. The four categories are: People Served; Service Completed; Volunteer Hours; and Donations.

Lion Year	People Served	Service Complete	Volunteer Hours	Donations
7-1 – 9-30, 2022	105,834	1,153	22,136	\$101,816
2021-2022	240,020	4,273	89,392	\$309,791
Grand Total	345,854	5,426	111,392	\$411,607

These numbers are pretty impressive, don't you think? It shows a glowing report on how we LIONS SERVE AND HOW WELL WE SERVE OUR COMMUNITIES!

Yours Truly,

LEADERSHIP ON THE HORIZON

Hello, MD4C5 Lions!

It's been a busy summer and I'm happy to do visitations and see you!

One of the highlights of my summer was volunteering for Lions Wilderness Camp for Deaf Children at Camp Ross Relles in Nevada City.

Lions Wilderness Camp for Deaf Children is a 501(c)(3) foundation that plans and runs three camps in MD4. For Northern California's hearing-impaired kids, the camp is in Nevada City. For Southern California's hearing-impaired kids, the camp is at Teresita Pines. And for Central California's hearing-impaired kids, the camp was at Camp Pacifica near Yosemite (this camp recently closed, so next year those kids will have to choose between North and South camps, or they can attend both).

The camps are planned so that the weeklong camps run consecutively. The Wilderness Camp for is always the first week in August so that the families can plan their schedules accordingly.

The theme for this year's camp was "Space!" The kids made cool planets that were hung in the dining room and ate things like "asteroids with alien tentacles" (spaghetti and meatballs) and were just having a blast being together.

At Wilderness Camp, the meals are so quiet that you can hear a pin (or plate, cup or fork) drop!

One of the most interesting things for me was working in the kitchen and realizing that the meal had already started. I grew up going to camps and being a camp counselor. Mealtime was always SO noisy with all the kids getting back together after their activities. At Wilderness Camp, the meals are so quiet that you can hear a pin (or plate, cup or fork) drop! I had to peek out to make sure they were really eating. And they were, talking with their hands and smiling and enjoying each other's company. I treasure that memory.

Next year I plan to volunteer again and bring a sleeping bag so I can stay longer. If you can, come join me! They always need helping hands and there are extra cabins to stay in. By volunteering and contributing to the Lions Wilderness Camp for Deaf Children, we can keep the camp open for no cost to the families and give the children a week where they can make friends and feel included in every activity. It's a wonderful week and I'm very grateful that I was able to be a small part of it.

I hope your summer went well also! Stay safe and be healthy!

THAT'S A LOT OF POP TABS!

Submitted by PDG Erv Gon

Thank You District 4-C5 for stepping up with \$3,600.00 worth of Pop Tabs to make a difference for Families staying at Ronald McDonald House Sacramento (RMHS). Every tab is important, i.e., one of us in a year's time barely fill a "Tab" cup magnetized to the side of the refrigerator. But with so many hands like yours saving, the picture shows the fruit of everyone's labor!

There was a full house today at RMHS with 38 Families staying in all the apartment units while their kids are experiencing a variety of medical procedures in the nearby medical facilities -- all because you care! You're all the best & Thank You for starting to save those precious Pop Tabs for "Campaign POPS 2023"!

Sincerely, The Pop Tabs Committee: DG Tim Luckinbill, PDG Erv Gon, PP Alex Eng & Past President Ernie Boone

GST NEWS

GST COORDINATOR JERI WARTENA

Hello Fellow Lions!

Thank you, Lions of District 4-C5 for serving above and beyond and supporting California Cares - Project Care. In August, 32 clubs found a variety of ways to serve the youth throughout our district. From school supply giveaways to swim or movie nights to feeding events to sight and more, over 2,100 hours were contributed to assist over 22,000 children! Give yourselves a hand!

October was Vision month, with initial numbers showing 22 service activities assisting 7,698 people with vision needs. Clubs hosted White Cane Days, vision screening with the Northern California Lions Sight Association Vision Van and Plus Optics screening, provided glasses for students in need, collected used eyeglasses, and raised awareness regarding vision issues in their communities. Reports are still being filed in MyLion, so I look forward to sharing even more information with one and all.

Year to date, 38 of our 50 clubs have entered service activities in MyLion. I know four additional clubs have completed projects but have not entered them as of today. Let's help our Governor have a 100% district in service to our communities! Collectively we have completed 1,414 service activities, serving 20,686 people.

Remember, our December Challenge is to reach out to the military and first responders in our communities however you think best. Maybe you want to do some gifts for children or take a meal to the local Fire Department. What about Christmas cards or care packages for military serving overseas. I'm thinking all of our communities have a VFW Post or American Legion Hall. Reach out and see what we can do to enrich our veterans' lives.

Respectfully submitted,

Lion Jeri A. Wartena

Cruise'N On In

Are you ready to go Cruise'n with District Governor Tim Luckinbill? Are you ready to enjoy some really cool cars from the '50's and 60's? Are you ready for some fabulous eats courtesy of the Food Faire? How about fun and frivolity Friday night at the Costume Parade? If so, please remember to register for our District 4-C5 Convention - "Cruise'n On In"! The Hilton Sacramento Arden West is the place to be April 21 - 23, 2023. Room rates are just \$119 per night, and with local taxes and fees, that works out to \$137.80! As in previous years, Registration and Meal Packages are separate from your hotel booking, so go online now and reserve your room. Guests can call the hotel at (916) 922-4700, extension 1, and mention group rate code "Lions" to make individual room reservations.

Speaking of fabulous eats, wait until you see the menu Catering Chair Kitty Kramer and her committee have created! As I am sure you are aware, prices have gone up quite a bit, and we have little control over that. Regardless, the menu selections sound delicious to me, and I can't wait to enjoy meals with my fellow Lions - you realize that means you! Please remember to register for the convention as soon as possible. The Early Bird Registration fee is just \$20 per person, if received on or before December 31, 2022. A \$100 deposit per person is due towards the meal package along with the registration fee. Where can I find the registration forms you may ask? PDG Sarah Enloe has sent out the hotel and convention registration forms via Constant Contact. Feel free to call or email Lion Jeri if that is easier, and she will send the forms directly to your inbox! What can be easier?

“Healthy Eyes for All” - a.k.a. “White Cane Day”

Submitted by Antelope Lion Marketing Chair Jennifer Daniels and Secretary Jeri Wartena

If you were at the Antelope and Watt Avenue WalMart on the morning of Saturday, October 8th, you saw the oversized Northern California Lions Sight Association Vision Van parked out front of the entrance alongside two volunteer pop up tents and a dozen smiling, cheerful Antelope Lion members. This group of Lions had a mission that morning - to promote their *"Healthy Eyes for All - Antelope Lions in support of White Cane Day"* event. The goal was to hand out branded colorful balloons to kids while simultaneously chatting with parents about their cause. Used eyeglasses were dropped in the *Recycle for Sight* box, monetary donations for the purchase of eyeglasses for students in need were collected and several pairs of kids sunglasses were handed out that Saturday in front of WalMart.

The event was promoted on social media and 103.9 The Fish radio station. The publicity brought awareness to the Lions Vision Van being open for service that morning and afternoon. The skilled Dr. Salazar (Eagle Eye Vision) donated a few hours of her time to conduct free eye screenings for anyone interested in stopping by. We know the publicity worked - there was a woman waiting at WalMart since 7:30 that morning to have her eyes checked! The new general manager of WalMart, Jorge, swung by the Antelope Lions Club booth to share his personal story of being a former Lions Club member and his passion for the Lions mission. It looked like quite the colorful spectacle that morning and afternoon as the Antelope Lions Club volunteers continued to greet, dance, wave, shout, cheer and share their mission with passersby. After the six-hour event concluded, a large box of glasses were collected along with \$120 in cash and well over a dozen eye screenings completed. The event was a win for the Antelope Lions, and they knew they wanted to do a second event to promote their *"Healthy Eyes for All"* cause.

Two short weeks later the Antelope Lions Club volunteers were at it again, this time out at hole number ten at the Lincoln Hills Golf Course at the Sacramento Maharlika Lions Foundation Golf Tournament. Golfers who came upon hole number ten were greeted by four enthusiastic Lions ready to serve up limoncello shots, lemon cookies, lemon loaf cake and lemon cheesecake at a cheerful lemon themed booth. Golfers happily forked over generous donations to the *"Healthy Eyes For All"* cause and toasted with the limoncello shots under glorious weather. The event was another win for the Antelope Lions Club, raking in an additional \$272 for their eyeglasses fund.

By the way, if your club wants to host a White Cane Day event, the Antelope Lions have canes and stickers. Lots of canes and stickers....hundreds of canes and stickers. We would be happy to share the wealth!

Woodland Host Lions 100th Anniversary

Woodland Host Lions celebrated their 100th Anniversary Saturday, Nov. 5th, 2022. An organizational meeting was held Oct. 20th and the club was chartered on Nov. 1, 1922. It is recognized as Woodlands first service club and the oldest in Yolo county.

The keynote speaker was Past International Director Bill Crawford. Director Crawford presented Woodland Host President Jeff Walton with a Melvin Jones award. A Melvin Jones is the highest award given in Lions International. It is named after the founder of Lions who asked existing clubs in the Chicago area to pull together and work with each other to improve their communities. Lions began with the motto “We Serve”.

Crawford touched on the highlights of Woodland Host Lions History including its first president Emil Kraft attending the 1925 Lions convention where Helen Keller challenged the Lions to become “Knights of the Blind”. Many historically prominent Woodlanders have been members of Woodland Host including Henry J. Bush, Richard B. Cranston, John H. Ferns, and James Noble. PID Crawford also noted that Woodland Host’s focus is on our youth. They participate in the Lions Student Speaker Contest and Special Kids Day. In the local schools they do Flag Day Education, run a Literacy Program to encourage reading, and participate in Child Spree giving kids a chance to buy clothes, school supplies and get their vision checked each year. The Host Lions also care for and maintain the scout cabin and sponsor Packs 499 and 1932 and Troop 69.

Finally, PID Crawford talked about International Lions focus areas of diabetes, vision, hunger, environment, and childhood cancer, and the work they do in disaster relief. Since 1968 Lions International Foundation has given grants totaling 1 billion dollars. This has been given to 13,000 grant requests.

Woodland Host Lions meets the first, third, and fourth Wednesdays at 11:30 at the Scout Cabin located a 515 Lincoln. For more information call Jim Fuller at 530-908-1880.

Rio Linda Lions Oktoberfest Car and Boat Show at the Ranch House!

October 1, 2022 came in quickly! Many Lions and other helping members gathered upon the Dry Creek Ranch House EARLY Saturday morning to get prepared for a very BIG day! We had people from HOURS away to come help and play. Registration stayed busy from 7 to around 10:30a.m. The parking lot for the general public was packed with many righteous cars that should have been in the show! We definitely had a GREAT variety of Oktoberfest flags, banners, streamers, pennant flags, wall hangers and of course the big tavern arch with the Rio Linda Lions printing on top!

Our local Ant-FM radio came out to play music, we hired an Oktoberfest Oompa band to play Bavarian and German music from 9:30- 11:30a.m., served up the normal food and drink stuff, but included a German plate, that consisted of the Bratwurst, sauerkraut and apple slaw. THAT plate was the BOMB! The entire dish unit was made by an outstanding LION from a local restaurant, Region Chairman Jeremy Price's own Taste of Tuscany! THANK YOU Jeremy!

Grass Valley & Nevada City Lions Clubs Team Up to Donate to Mosquito Fire 4-Legged Evacuees

Lion Krista Putnam from Grass Valley Host and Lion Verne Taylor collected and purchased pet food for the Mosquito fire's evacuated animals from Simply Country Feed & Supply. The store and the clubs donated goat, rabbit, horse, chicken and swine feed as well as dog and cat supplies like calming aids, leashes, collars, muzzles, harnesses, food dishes, disposable litter pans, and litter to the Roseville SPCA adoption center to distribute to fire victims and those caring and housing the displaced animals.

The items were taken to Placer County fairgrounds by Lions Verne and Krista. Both clubs were very appreciative of all the support received!

Club Excellence Award

Shared recently in an email by PID Jerome Thompson, GAT Constitutional Area 1 Leader, the Club Excellence Award is a great place to start reinvigorating your club for greater service to the community. To achieve the award, clubs should record positive membership growth; make a contribution to LCIF; meet service criteria; achieve leadership and organizational benchmarks and market your club through social media and/or the local media outlets. Contact PDG Andy Anderson, andersj@frontiernet.net for info.

PCC Sue Breakearidge Olin

PCC Sue was a pioneer by being the first woman Council Chair in MD-4 which at that time included California and Nevada. PCC Sue and PDG Bob were the first husband and wife team of Governor and Vice Governor in District 4-C3 and the second in MD-4. Throughout their time together they were a team in business and in Lions.

A California Native she was brought up in the tradition of the Golden Bears of UC California where she attended many of the collegiate games, especially football. Her father Harold "Brecky" Breakearidge played for Cal as a quarterback and kicker, was part of the famous Rose Bowl game of 1929 when Roy Riegels ran the wrong way after picking up a fumble. She grew up knowing many of the players of that era. Being a Cal Bears Fan PDG Bob proposed to PCC Sue by having a plane fly over Stanford Stadium during a BIG Game with a banner that read "Sue I Love You Will You Marry Me". She did say yes.

After graduating high school, she was fortunate to be appointed a Congressional Aide for Congressman John J. Allen Jr. and spent two years in Washington, D.C. PCC Sue attended Business College and worked in the real estate field. In her early marriage years, she raised two wonderful children Beth Sloan of Nebraska and Greg Griffin of California.

Later in life she acquired a company that provided and maintained live plants for a variety of commercial businesses including personal homes. Being very creative, PCC Sue decorated Christmas trees and provided other decorations for their facilities. She named her company Sue-z-Bee's.

At the same time, she met PDG Bob, and they both ran the company together. They were partners in Lions and business.

One of the first members she brought into the Walnut Creek Host Lions Club was PDG Bob.

Among her many contributions during her Lions years, Sue was extremely proud of three:

1. When PDG Bob was Vice District Governor, they chaired the first committee to begin working on Mateo's Dream, a Park for Children of All Abilities in District 4-C3, Concord, CA. It was the first wheelchair accessible park in California. She continued with support off Mateo's Dream while s Vice Governor, Governor and Council Chair.
2. Chairing the committee with PDG Bob for Lions Special Kids Day in District 4-C3 and growing the attendance to 1000 participants. Lions Special Kids Day is a free day of fun, food, fellowship and family for special needs children. Following later in District 4-C5 with PDG Bob they established and co-chaired a committee to establish Lions Special Kids Day in their new district. The day grew to over 1000 participants in Lions District 4-C5.
3. Establishing the Lincoln Hills Lions Club in Lincoln California in 2010 with 45 charter members.

PCC Sue has received a number of International Presidential Certificates of Appreciation, was awarded the International President's Award Medal, International Presidents Leadership Medal the MD-4 Excellence Award and a number of District Governor Appreciation Awards.

She will be missed by many Lions.

PCC Sue was proud to be a Melvin Jones fellow, a Harry J. Aslan Fellow of the Student Speakers Foundation, has a Lions Project for Canine Companions for Independence Abdul Award, and Is a Life Member of the Lions Eye Foundation,

Some additional recognitions were the following: Outstanding Lions Couple of the Year District 4-C3, Tom and Annamae Galligan Youth Award District 4C5, Mateo's Dream Golden Shovel Award District 4-C3, Lion of the Year District 4-C3

PCC Sue will be missed by many Lions.

MD4 2022-23 Environmental Photo Contest

In conjunction with Project Care, we are announcing the MD4 Lions Environmental Photo Contest. The Environmental Photo Contest is open to LIONS in MD4

There will be two categories that promote both the environment and club service activities during the 2022-23 Lion's year. It will provide a way for Lions to portray, through an original photo, their pride and commitment to improving, protecting, and preserving the environment.

The contest begins at home, where every Lion can enter a photograph of his or her immediate surroundings to the MD4 Lions Environmental Photo Contest. It is as easy as snapping a picture of the beach, trees, birds, water, sky, or anything around you as you serve to improve the environment.

The photos will be displayed, and the winners will be selected by popular vote at the MD4 Convention in February 2023. There will be one winner in each category.

- **The Environment** - Photos depicting a nature theme (such as plants, animal life, weather phenomenon, etc.) in California. No people may be included in the photos.
- **Environmental Service in Action** - Photos of your club participating in an Environmental Service Activity during the current Lion year. Must include Lions in the photos.

Photos should be original and unaltered. Photos should be printed on high-quality photo paper and measure 8" x 10". All photographers accept responsibility for the cost of all photos.

Only one submission per club will be accepted. Photos must be taken during the current Lion year. Photos will be judged impartially based on originality, artistic merit, and technical quality.

LCI Diabetes Awareness Ribbons

Diabetes has a large effect on our communities. An estimated 463 million adults across the World live with diabetes and its prevalence is increasing rapidly. By 2045, the number is expected to reach 700 million. Research has found that the rate of people being diagnosed with type 1 diabetes has been rising across the globe for many years. By 2050, 5 million people are expected to be diagnosed with type 1 diabetes. 200,000 people under the age of 20 years old have type 1 diabetes. Diabetes is a global epidemic that touches every corner of the globe. Lions and Lions clubs are working to reduce the prevalence of diabetes and improve the lives of those living with type 1 and type II diabetes.

Diabetes Awareness Ribbons allow clubs and club members to become active in reducing the cause and raising awareness of diabetes. As White Cane Day was able to bring awareness to the safety of people with white canes and to help out those afflicted with blindness by raising small donations and handing out white canes, this small ribbon will also bring awareness to those with diabetes.

Diabetes Awareness Ribbons can be handed out by club members any time throughout the year. You can also combine this with eye screening, dietary planning, and testing for diabetes. There are hundreds of things that you can do to combine your day of diabetes awareness, it is up to all of us Lions to come together to reduce the affliction of this disease and improve the lives of those with it.

Diabetes Awareness Ribbons allow the members of your club to participate in a service project. It is as simple as picking a place and handing out ribbons, one member or 100 members can participate. Small donations for this event and the Diabetes Awareness Ribbons will raise funds to help by sending kids to diabetes camps, providing literature for coping with diabetes, cookbooks, diet planning, and literature. These are just some of the resources in which to invest your fundraising. Funds raised with Diabetes Awareness Ribbons could go towards anything as long as it is to help those with diabetes, and more importantly diabetes awareness. Get your Lions Club involved today, millions of people with diabetes are counting on it.

Lion's Diabetes Awareness Ribbons Are Now Ready For Your Order \$0.65 each
