“SERVE WITH PASSION”

Hello Fellow Lions!

I hope all is well with everyone. I cannot believe this is already July – time does go fast. I am writing this on July 2, 2023, and this is my Day 2 as to serve as your District Governor. I am awed and thrilled to begin my year with amazing Lions who will serve with me as Cabinet Officers and Committee Chairs. They are as excited as I am to begin serving in new roles and responsibilities. While there are still a couple of vacant Zone Chair positions, I am confident that we will help and serve those areas. We need to be creative and work together as a team – together as a District.

At the end of June, the Region and Zone Chairs training was conducted. With the LCI District Region Chairs Leadership Training grant we received, we had a six-hour in person training that included breakfast and lunch, and each of the Region and Zone Chairs were given binders that had all the information they would need to be effective Region and Zone Chairs. Additionally, we enlisted DGE Kevin Guess of C4, PCC Don Gall, incoming CS Susan Gall, GST Jeri Wartena, and 1st VDGE Vicky Brady as presenters; and of course, coordinated and led by GLT Jeri Retzlaff. The training was very successful.

I am dedicated to ensuring that our District continues the path of accomplishment in serving our communities. I am ready to set the motion to execute the goals I want to undertake during my term as District Governor. These goals are aligned with LCI’s focus areas: Environment, Childhood Cancer, Diabetes, Hunger, Youth and Vision. These will all be District projects with the individual clubs performing them. The projects will be specific to the six focus areas – stay tuned for more details on how we as a District will conduct the projects. Thinking about them is exciting, and I feel we will realize the fruits of our labor after each project.

As Lions “We are Changing the World” and its very exhilarating to be part of this journey. I am looking forward to attending the LCICON in Boston where I will be installed as your District Governor; and will continue to learn more things that will help me become an effective and efficient DG.

I hope to see many of you at the District Installation of Officers on July 22, 2023. Please come celebrate this momentous night for your officers and committee chairs who will serve along side of me.

INSIGHTS ALONG THE JOURNEY TO DG

Happy Summer, MD4C5 Lions!

It's hard to believe that we are in the new Lions year! I've had so much fun and been so impressed learning about what you do for your communities and seeing old friends and making new ones.

I'm getting excited about the new fiscal year, and about the USA/Canada Leadership Forum coming up September 21-23 in Reno. It's going to be my very first one, and I hope you can join me there! We are the host Multiple District, MD-4 (all of California), and we still need lots of volunteers to meet and greet our Lions visitors attending from our other states and Canada! There are volunteer opportunities to direct our guests to sessions and meals, work in the Forum store, or work in the office. Please check out the website and sign up at www.lionsforum.org for both the Forum and to volunteer!

Last month, I introduced you to the Leadership Forums and showed you how they can help you to become a more knowledgeable Lion and how to really make the most of the great opportunities they provide. Lions University is an online program developed and administered by the USA/Canada Leadership Forum.

There are three levels of accomplishment in Lions University- bachelors, masters, and doctorate. Each level of accomplishment has its own program and goals. Last month I talked about the bachelor's program. This month, I'll talk about the second level, the master's program.

The master's program is intended to educate and give guidance to the Lions serving at the District Level-District Governors, Vice District Governors, Zone and Region Chairs, District Committee Chairs, and other leaders. Of course, you don't have to be in any of those positions to learn and gain knowledge from these courses!

The requirements to fulfill the master's program are 10 required courses and 5 elective courses. Each of these courses takes approximately 1 hour and is mostly watching YouTube videos presented by the faculty. To sign up for Lions University, go to www.Lionsuniversity.org.

Once you complete the 10 required courses and your 5 electives, you can apply for your master's on the website. If you have already received your bachelor's certification then when you attend the USA/Canada Leadership Forum in Reno, you will receive your master's from our incoming Lions Clubs International President, Dr. Patti Hill!

I am currently taking the courses and am learning a lot! I encourage you to join me in signing up for Lions University and attend the USA/Canada Forum in Reno in September! Happy Summer!

LEADERSHIP ON THE HORIZON

Hello District 4-C5 Lions and beyond!

Are you ready for an exciting year? Thank you for believing in me and casting your votes at the Convention to allow me to help this amazing team serve as your 2nd Vice District Governor for 2023-2024. Just the thought of beginning a journey like this can be somewhat overwhelming but I know I made the right decision. The support of so many is even more overwhelming, and my heart would not allow me to miss this opportunity.

I believe every Lion in District 4-C5 has so much to offer even though each and every one of you brings a different level of talent, conviction, commitment, and passion. Do not be afraid of bringing new ideas to the District because you just never know where it will take you. Always believe in yourself and you will be enriched immensely.

With that said I will share a quote that drives my life every day: ***“Life can be much broader, once you discover one simple fact, and that is everything around you that you call life, was made up by people that were no smarter than you.”*** – Steve Jobs / Founder of Apple.

I want to thank everyone again and always remember you matter more than you know!

MAHARLIKA LIONS CLUB

Maharlika Lions Club members have been keeping busy. Every 5th Sunday of the month for the past 30 years, members have served lunch to individuals experiencing homelessness at Loaves and Fishes. At a recent project, they served 270 people. The club also made a donation to the non-profit organization, located at 1351 North C Street in Sacramento.

Loaves and Fishes was established in 1983 by Chris and Dan Delaney, who opened a small dining room to feed hungry people. Chris Delaney recalled those early days: "I have always thought of Loaves & Fishes as miraculous." People came to help and the guests were always fed. It was a miracle every day! Thanks to Maharlika Lions for keeping the miracle alive.

Maharlika Lions helped Stamp Out Hunger on May 13 by Leaving bags of nonperishable food for U.S. Postal Service Employees to gather and deliver to the Sacramento Food Bank.

On May 19, 2023, Maharlikans served lunch to 31 veterans at Mather Facilities. It was a way for them to thank veterans for their service. The veterans were appreciative and loved the Filipino food.

GOLD COUNTRY LIONS CLUB

DONATES TREES TO NEVADA COUNTY FAIRGROUNDS

Submitted by Lion Tom Parilo

What comes to mind when thinking about Nevada County's beautiful fairgrounds? Many would say it is the trees that reflect the county's heritage of a Grass Valley covered in trees located in the Sierra Nevada Foothills. Most folks that visit the Nevada County Fairgrounds refer to it as the most beautiful fairgrounds in California.

Over the last year, the Fairgrounds experienced a beetle infestation and severe weather that resulted in the loss of 90 trees this last winter. Gold Country Lions stepped up this year by donating seven large coastal redwood trees to help fulfill the Lions MD-4 California Project Cares April Earth Day service challenge. The goal of the fairgrounds staff was to plant these in areas of the fair where mostly ponderosa pines were lost.

Gold Country Lions, who operates the Carmel Corn Booth on Treat Street, used proceeds from making and selling Carmel Corn to help the Nevada County Fairgrounds restore its beauty with some tree replacements. When you purchase the golden caramel corn, you also help the environment with tree replacement. This is the second tree donation event by Gold Country Lions, and it won't be the last.

Below are photos of a donation event held on May 2, 2023, dedicating trees to the Fairgrounds staff. The Fairgrounds tree maintenance staff were very excited to receive the donations and dug holes and planted the trees the very same day. Our community extends a hearty thanks to the grounds and tree maintenance staff for all their diligent efforts to keep our fairgrounds beautiful.

Northern California Lions Sight Association Past District Governor Doug Wight Legacy Award

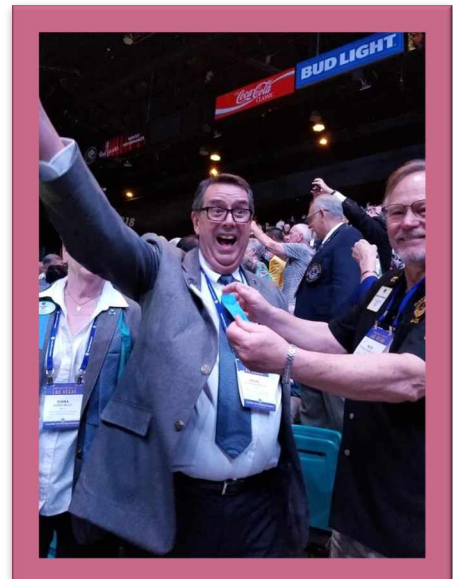

This award was created posthumously in memory of PDG Doug Wight. It is a very small recognition for a humble man who has served and been a truly great Lion in all respects for many years and in many capacities. As a long-time member of Lions Clubs International (LCI), PDG Doug has served, both visibly and invisibly behind the scenes. He served where and when needed; mentored others when asked; and was very forthcoming in his knowledge and responses. If he didn't know an answer, PDG Doug would say so, and say "I'll get back to you on that" ... and PDG Doug *always did just that!*

As Lions, our motto, is "We Serve"! As a Lion, PDG Doug Wight was proud to do so, not only for individuals and/or communities of people in need, but he also served every Lion as well, by being both an extraordinary human being, as well as the exemplary Lion that he was. He shared his experience and knowledge with all, while seeking nothing in return.

If you, or your Club, would like to order a "PDG Doug Wight Legacy Award", either in memory of PDG Doug or to recognize a Lion who has done more than "just enough", here are the details:

Avalon Hearing Aid Centers Present:

THE HOPE & HEARING PROGRAMS

LOCAL LIONS CLUBS AND AVALON HEARING RESTORING HOPE AND HEARING

*Nobody really wants to wear hearing aids AND
Nobody knows what to do with hearing aids, no longer in use.*

Nobody with hearing loss should be left behind in a quiet and muffled world. That's why Avalon Hearing Aid Centers in Sacramento and local Lions Clubs have **partnered to create the Hope and Hearing Programs**. Could you either benefit from OR contribute to one of these Programs?

Hearing Aid Recycle Program

If you have hearing aids that are no longer in use, consider donating them to Avalon. If possible, we'll have them refurbished and make them available to people who simply cannot afford hearing aids. What is sitting in your drawer, may provide someone with the gift of better hearing. It may even restore hope.

Monthly Hope and Hearing Programs

If financial hardship is keeping you from getting the hearing help you need, contact your local Lions Club. Ask to be nominated for the Monthly Hope & Hearing Program. Lions members have already donated dozens of quality hearing aids. In turn, Avalon staff will donate their expertise and time for the test, fitting, and follow-up care needed to get you hearing and connected to life.

\$250 GIFT for you & \$250 GIFT for your Club

If you are experiencing hearing loss, schedule a Free EDUCATIONAL Hearing Test & Consultation with Avalon. Be sure to mention that the Lions sent you. You'll receive a \$250 Gift towards your purchase of hearing instruments PLUS \$250 will be donated to the Lions Club of your choice.

Need a Speaker for your Club?

If you're ready for a fun and informative talk, book Betty Vosters Kemp to do a presentation for your club, in person or via Zoom. Betty can even talk about how the Lions and Avalon, together, can make an even greater difference in our community!
