“SERVE WITH PASSION”

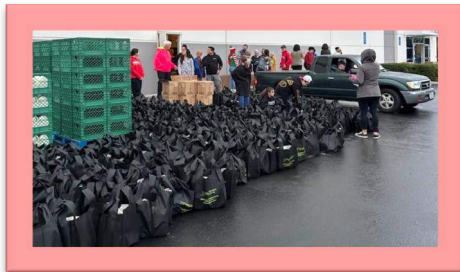

LIONS OF DISTRICT 4-C5

District 4-C5 Lions Clubs made the holidays a little brighter and warmer for those in need. Whether it was providing warm clothing, hot meals, toys or food for Thanksgiving and Christmas dinners, Lions showed their communities that they cared.

One shining example is Roseville Host Lions Club, whose members once again spearheaded the *Christmas Food Basket Program*. Working with many volunteers from other organizations, they packaged and delivered over 400 Food Baskets to those in need.

“SERVE WITH PASSION”

Hello Fellow Lions!

I hope everyone had a wonderful and joyous Holiday Season. As many of you know, Christmas is my favorite time of the year. It begins with Thanksgiving that brings festivities with families and friends together. The holiday season is celebrated with the different cultural traditions as well as different religious beliefs.

This holiday season has truly been so inspirational because of two events I was invited to attend. There are many rewards of serving as the District Governor. The two events I attended during the week of December 20, gave me the feeling of an overpowering gratitude and memorable pride of being a Lion. The first event was the “12 Days of Christmas of Hearing Mission” at the Avalon Hearing Aid Center in Sacramento. At this event, twelve individuals were given the gift of hearing by receiving hearing aids at Avalon Hearing Center. As many of you know, PDG Erv Gon was instrumental in starting the “Hope of Hearing Program” four years ago. He has worked tirelessly with referrals from Lions who have significant hearing and financial issues. Since the inception of the District’s collaboration with the Avalon Hearing Aid Center, he has worked diligently, never missing a month without a referral.

At the 12 Days of Christmas of Hearing Mission, PDG Erv Gon, PDG Cat Gon, PDG Mike Retzlaff (Santa) and I were part celebration to witness Avalon owner Betty Voster-Kemp give a very generous and one-of-a-kind gift to the twelve individuals. Six of the twelve were referred by PDG Erv. As excited and happy as we were to be part of this Christmas celebration, you can imagine how excited they were to receive such a gift – to be able to enjoy the everyday sounds that many of us take for granted. One of the highlights was meeting the oldest of the twelve gift recipients – she was a delightful 109 year-old woman who looked amazingly well for being 109 years old. The youngest was an 18-year-old who did not want to wear a hearing aid as a young child, until now, to help him with school and everyday life.

DG ZENNY YAGEN

“SERVE WITH PASSION”

I left the event feeling extremely happy, not only for me because I was part of the celebration but for those twelve people and their families.

On December 20, PDG Don Ring, who is the Chair of the Folsom Project for the Visually Impaired, invited me to attend a Melvin Jones Award ceremony at Folsom Prison. Along with PDG Carol Ring, PDG Andy Anderson, Lions Dusty Harrison and Dee Farmer, we witnessed this incredibly unique Melvin Jones Award ceremony as it was being awarded to an inmate who is in charge of the Braille transcribers. Lyale Shellman, the Melvin Jones recipient, was so moved that he cried. He had never imagined he would receive such a prestigious award.

We were introduced to each of the Braille Transcribers and those training to be a transcriber. It was clear that each one of them valued the education and took pride in the work they are doing. Some said they feel the work they are doing is giving back to society. To be a certified transcriber, they must pass several exams to show their proficiency in both transcription and proofreading – no easy task. Another thing I learned was the difference between printing and embossing. As we all know, when we want to copy something, it is called “printing,” but in the world of braille publishing, it is called “embossing.” The person who ran the embossing section explained that “printing” is one dimensional, but “embossing” is a raised image on special paper. Special bindings are placed on the completed text; and the number of pages is certainly much more than a regular textbook. It was just incredible to learn what it takes to be a braille transcriber and the embossing processes. I was awed by what I learned that day. I also visited another and just as important project for our District - the recycled eyeglasses room where the used eyeglasses are sorted, cleaned, and inspected to determine if they are usable.

Santa (PDG Mike Retzlaff) and Lion Fay Young share the holiday cheer.

Attending these two events in one week gave me the significant feeling that I could not be prouder of being a Lion. I want to thank Past District Governor Erv Gon as the Hearing Chair in helping people who have challenges with hearing. And a thank you to Past District Governor Don Ring who had insight for creating the Folsom Project for the Visually Impaired.

“SERVE WITH PASSION”

Lastly, I was notified that our District won the Peace Poster Contest, and the poster would represent MD4 at the LCI Convention in June 2024 in Melbourne, Australia. Higgins Diggins Lions Club submitted the winning poster created by a 13-year-old student, Nicole Tyra. Congratulations to all!

For me, the month of December is always a wonderful time of the year as I love – love this holiday season, being with family and friends; celebrating the wonderfulness of Christmas is all I need. But this last December, what I learned and participated in gave me a more powerful meaning of giving. While I did not personally give per se, I experienced the feeling of what we Lions do to make things better for our community. It was truly a memorable time for me, and as International President Dr. Patti Hill’s slogan, *Changing the World*, and we Lions in District 4-C5 are certainly doing that.

INSIGHTS ALONG THE JOURNEY TO DG

Happy New Year, District 4C5 Lions! It's hard to believe that it's already 2024. I hope you and yours had a wonderful holiday season! I have enjoyed all of the visitations and fun Lions events that I attended these past few months, and I am looking forward to the next District Cabinet meeting on Sunday, February 11. In case you haven't heard, it's Super Bowl Sunday and District Governor Zenny Yagen has planned a fun event for all of us.

For this cabinet meeting, the theme is "SPORTS!" and the dress code is anything sports-related. So show your fan side and wear your favorite jersey, helmet, cleats, cheerleading outfit, hat or foam finger to show who you support.

In addition to "casual cabinet meeting day", we will be having special guests - three leaders from our own Multiple District 4 who are running as International Director candidates. This is a great opportunity to meet and get to know them and ask questions!

Also, since it is Super Bowl Sunday, we will be having a special agenda which includes a brunch instead of a breakfast and lunch. This will ensure that the meeting will conclude with lots of time to get home and enjoy the game. So I hope to see you at the cabinet meeting!

Happy New Year!

LEADERSHIP ON THE HORIZON

Happy New Year Amazing District 4-C5 Lions,

Are you ready for 2024 and being part of the greatest Lions District anywhere!

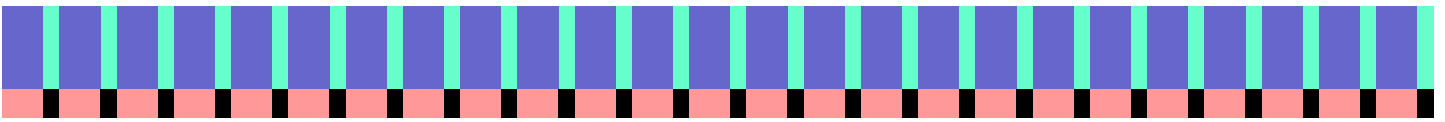

As I have mentioned before, I like to keep these messages short so I will continue that pattern with this message. That doesn't mean that there isn't a wealth of information out there at your fingertips and I encourage you all to visit <https://www.lionsclubs.org/> and just click through the site and just see what you can learn from it. You might be surprised by what you find. Some of you may have never visited the site and that's okay but maybe you didn't even know about it and that's why I am bringing it to the forefront in this message. I could put all sorts of information about grants and leadership etc. in this message but I believe if you learn on your own you will grow as a person and a Lion. Where else can you get an education for free? Lions provide you with those opportunities.

I do want to focus on leadership in this message just a little bit. First, every one of you is a leader in your own way already. Now you may be asking yourself what do I mean by that statement? Every time you flip a hamburger that is being cooked for a Veteran or someone less fortunate or you show up at 6:00am somewhere to volunteer for a fundraiser that supports a cause that you believe in you are leading. All of you do so much for your clubs and your communities and work so hard that you probably don't even realize that you are actually ready to go to the next level in Lions. That might scare many of you but fear is powerful. Don't let fear stop you from enriching your life. Don't be afraid to go for it because the rewards outweigh the fear factor. I will talk more about this in the next newsletter.

*Don't let fear stop you from
enriching your life.*

A little bit about me for those of you that don't know me or don't know much about me. I joined this organization in 2017, which means I have only been a member now going on seven years. What a ride it has been. I have met hundreds and hundreds of people, maybe even over a thousand people during that brief time that I would have never met if it wasn't for Lions. Where else can you do that? The connections I have made have changed my life and I believe that these connections have also changed the lives of others. What a powerful opportunity I have been given thanks to Lions. Anytime I have an idea or need a pick me up I just pick up the phone and call a Lion or I tell a random stranger about Lions and I get energized. So go to the next level and don't be scared to embrace change and opportunities.

With that said, Zone Chair, Region Chair, Vice District Governor etc. - those are scary terms and I believe many would agree with that statement. But the rewards outweigh the challenges. Just reach out and just ask questions about what it takes to take on those roles and you might be surprised to find out that you are already doing many of those roles. So just ask! Go after it and your life will change and you will be glad you did it. I speak from experience. Was it scary? Yes, it was but I have never looked back. Believe in yourself and take the Lion's road to the next level.

I said I like to keep these messages short and end with a quote and a fun video, but this message went a little longer. Enjoy the video and I will see you all very soon.

AVOIDING “MEMBERSHIP DROPS” IN DECEMBER (and JUNE)

By now, we all know that our clubs will be billed by Lions International for our semi-annual per capita dues based upon the membership on January 1st and July 1st each year. Therefore, if any of our members are to be dropped, that action must occur by December 31st and June 30th, or the club will be billed for those members for the ensuing six months.

So--- the question becomes, “How do we avoid membership drops in December and June?” The answer relates to improving retention year-round. The following thoughts and ideas were distributed by MD4 Membership Coordinator PDG Juanita Nichols, as compiled by 4-L4 Council Chair PDG Craig Durand.

FOLSOM STATE PRISON BRAILLE PROJECT

On December 20, 2023, a small group of District 4C5 Lions accompanied PDG Don Ring to the Folsom State Prison. We were there to present a Melvin Jones Fellowship award to an inmate by the name of Lyale Shellman. Lyale is a member of a group of 18 inmates who work in the Braille project. PDG Lion Don Ring started the Braille transcription project in 2002.

The prison's Braille program is recognized by the American Printing House for the Blind as one of the best Braille groups in the country. The project started with inmates recording books on tape for the visually impaired. As it evolved, the program began to benefit inmates whose new job skills were helpful at parole board hearings. Braille is one of the best-known aids for people who are blind or have low vision. It is a code to translate any language into a series of raised dots that can be read by running one's fingers across these raised dots.

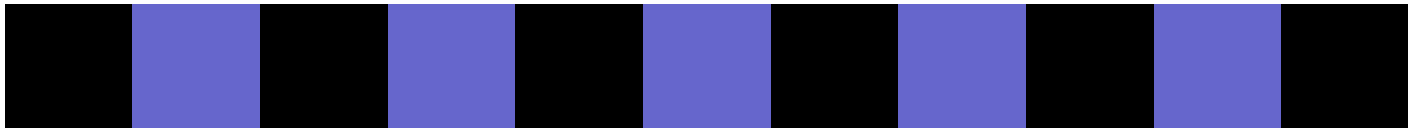

Transcription into Braille is a very labor-intensive task. It takes years for the members of this group to master the tasks demanded of them within the vision project. Individuals who participate in this program must complete certifications through the Library of Congress and the National Braille Association. Each certification takes time – between 250-700 hours of learning and studying. In fact, there are only twelve (12) individuals in the world who can claim to hold all three of the Library of Congress's certifications, and three of those people are presently incarcerated at Folsom Prison. Some of the transcriptions are extremely difficult. For example, a one page map might become 20 pages of Braille.

Literary books, academic books, mathematical equations, scientific formulas, and even music books are translated into Braille. Inmates also make Braille evacuation maps for buildings.

The Braille program's recidivism rate is outstanding - close to 100 graduates have left the Braille program and only one has come back. Due to the specialized products that are produced, coupled with the demand for them, the inmates have jobs waiting for them when they are paroled.

Lyale Shellman has received all of his certifications in Braille, even in Math and Music. There are approximately only 20 individuals certified throughout North America who hold all certifications. Shellman emphasizes all the guys in the program are making a positive difference in people's lives. He says it's simple. The program offers a life-changing experience, and It provides a career and a means to contribute to the community.

Lyale achieved six separate Braille certifications in six years. Braille has now become his passion and life's work. Books, maps, and services provided by this group are utilized by the California Department of Education, Clearinghouse for Specialized Media and Technology, as well as other agencies.

Lyale is the inmate supervisor of the group, and provides enthusiasm for the project. Lion Don and others agreed that this program would not have been as successful as it is without the leadership provided by Lyale.

We had the opportunity to meet many of the other transcribers, and they all exhibited a deep satisfaction with what they are doing. Congratulations to Lyale on receiving the Melvin Jones Fellow plaque for his "Dedicated Humanitarian Services"!

Lions Clubs across the state raise money to fund reading rooms, equipment and other project needs at Folsom Prison. If any District 4C5 Lions would like to tour this program, please call Lion Don Ring at (916) 988-3491.

FOOTHILL LIONS CLUB CONTRIBUTES CLOTHING AND FUNDS TO CHILD ADVOCATES OF NEVADA COUNTY

Members of the Grass Valley Foothill Lions Club met recently with Nicole McNeely, the Executive Director of Child Advocates of Nevada County, to develop a deeper understanding of their mission and importance in supporting children in our community. The Lions were impressed with Child Advocates three focused programs of Healthy Babies, Child Safety Puppeteers and CASA (Court Appointed Special Advocates). CASA serves children who are challenged because of abuse or neglect. With the cold winter approaching, the Foothill Lions pursued gathering warm clothing for the CASA children. Foothill Lions Art & Pam Ralli gathered the clothing, working closely with Hospice of the Foothills Gift & Thrift among other sources.

Foothill Lions President Rob Shotwell, along with Lions Art & Pam Ralli, made a presentation of 43 jackets and coats, 4 puffy vests, 3 infant snowsuits, 4 blankets, and various other items in addition to a \$1,000 contribution to CASA. President Shotwell made the presentation stating that, "we serve because we care."

The Foothill Lions Club raises funds to infuse back into the community by operating the arena beer booth at the Nevada County Fairgrounds. The Foothill Lions contributes to other valuable community organizations such as Hospice of the Foothills, Hospitality House, Interfaith Food Ministry, Nevada County Food Bank, Sierra Nevada Memorial Hospital Foundation, Nevada County Fairgrounds, the Junior Livestock Auction youth exhibitors, Sierra Services for the Blind as well as providing eye exams and glasses to those in need. The club meets at noon on the second and fourth Wednesday of the month at the Scout Lodge in Grass Valley's Memorial Park. New members are always welcomed.

FOOTHILL LIONS CLUB CONTRIBUTES TO BUILDING A COMMUNITY OF READERS

Recently the Grass Valley Foothill Lions Club donated \$1,500 to Scotten School's "One School, One Book" project, which was organized by the school librarian, Roxanne Lunsford. Lions Bill and Karen Mitchell, both retired teachers, coordinated the project with Scotten. The school used the funds to purchase 375 hardcover copies of "Elephant and Piggy, Waiting is Not Easy" which were distributed to the students.

Much to the delight of the Scotten School students, the book's characters "Elephant" and "Piggy" showed up, along with the books. Elephant and Piggy attended the school's evening book fair for the students and their parents. The characters' final appearance was at an assembly where every student received a book.

The "One School, One Book" project's essential strategy includes encouraging the students to read at home as a family. At school the students are encouraged to explore their books with their classmates. Reading a book together brings the joy of building and expanding a sense of community among students, parents, teachers, and staff. This strategy reinforces increased parental involvement, bridges the home-school connection, and builds a community of readers.

The highlight of the program, other than the appearances by Elephant and Piggy, was the whole school did a choral reading of the book together, which teachers expressed was inspiring!

The Foothill Lions Club raises funds to infuse back into the community, with a special interest in supporting Nevada County youth and education. The club has a lunch meeting at noon on the second and fourth Wednesday of the month at the Scout Lodge in Grass Valley's Memorial Park. New members are always welcomed.

Annual Department of Motor Vehicles Eyeglass Collection

SUMMITTED BY LION KITTY KRAMER

In 2011, Lion Kitty Kramer, Roseville Host Lion and retired DMV manager, started an annual eyeglass collection throughout all Department of Motor Vehicles (DMV) offices in California. This has proven to be a popular event during the month of October. Some offices even decorate boxes/displays to collect the donations.

This year, Lion Kitty transitioned the program over to another DMV employee and fellow Lion, Ying Chan Qui Kham, with Pride of Laguna Creek Lions (Lion Kitty is her sponsor). She quickly picked up the project and did a marvelous job with notifications and collecting the boxes forwarded from the offices. Lion Ying turned the boxes over to Lion Kitty to count and rebox into larger boxes.

This year a total of 1,649 eyeglasses were collected with 17,659 being collected since the program at DMV began. I've known DMV employees to be very generous givers, not only with this project, but many more throughout the year. Next time you stop into an office, please remember their generosity as well.

Pictured are employees at the San Clemente DMV office with their collection display area. I think it's pretty darn cute!

CAMELLIA LIONS CLUB

Camellia Lions and other community organizations such as Asian Resources, Inc. (“ARI”), OCA, Sacramento, and CA Lions Foundation, joined forces to serve dinner to community members at “Feed Our Family Dinner” on November 17, 2023. Attendees were treated to a movie as well. The event was held ARI Headquarters at 6260 Elder Creek Road, Sacramento.

Photo credits: Camellia Lions Club Facebook page.

A couple of days later on November 19, 2023, Camellia Lions Club assisted C.A.F.F.E. (Clothing and Food for Everyone) with distributing food and knit wear to the unhoused community at Caesar Chavez Plaza in downtown Sacramento. The Club purchased beanies and mittens and packaged them with snacks. Members also provided refreshments.

C.A.F.F.E is a volunteer-based group whose purpose and mission is to provide the basic necessities to the less fortunate and homeless in our community.

Hello Club President Laura and PDG Donna!

Let me be the first to say Congratulations! Your student's beautiful and extraordinary peace poster is the District's winner. The judging was held tonight at Peace Poster Chair Robert Stoemer's club meeting, Yolo Sunset Lions Club. Your student competed with five other students. The second place winner was from Woodland Host.

Lion Robert will be sending the winning poster to MD4 Peace Poster Chair, Diane Quinlin.

I will be rooting for our District winner at the February COG/Convention.

Thank you again for the wonderful and generous reception you and your club members gave me. I truly enjoyed it enormously.

Wishing you both and your families a Happy Thanksgiving.

SENATOR LIONS CLUB

Society for the Blind hosted an annual holiday party for participants of its Senior IMPACT Project (SIP). SIP clients, family members, and staff got into the holiday spirit all afternoon while enjoying good food, fantastic music, gifts, and dancing! The DeLeons provided the great music. Delegata Corporation donated funds to create party favor bags. Senator Lions Club members prepared the lunch.

Several times a month, seniors in the Senior IMPACT Project participate in workshops that teach them how to cook, take care of their homes, manage their medications, and do other activities of daily living using non-visual techniques and assistive devices and products.

Society for the Blind will turn 70 next year! The organization continues to explore new partnerships to expand its capacity to reach clients in northern California and Nevada.

“Deck the Halls with Boughs of Pull Tabs”

During this, the *“Most Wonderful Time of the Year”* need is just as

Ronald McDonald House PULL-TAB COMMITTEE at work!

prevalent as the other times of the year. While enjoying the Season with Family and Friends remember to save those Pop pull tabs, those unique pull tabs you snap off of beverages, soups, even pet and food cans are making a difference in keeping families together staying at one of Ronald McDonald House Sacramento (RMHS) fully equipped apartments while their children are going through various medical procedures at the local nearby hospitals. Children tend to recover at a faster and more positive rate knowing their families are nearby,

while offering their parents refuge from the hospital.

Recently our “District Pull Tab Committee” took your Pop Tab collections to RMHS. Another opportunity to donate those Pull Tabs is at the November 4, 2023 Cabinet Meeting. It’s time again to gather up those stockpiled Pop Tabs to benefit RMHS. Please bring them to the Cabinet Meeting or arrange for a pick-up if you live up in the hills by contacting Colfax Lions Club IPDG Tim Luckinbill at (530) 272-7131 or for those residing in the flatlands, contact Sacramento Embarcadero Lions Club, Alex Eng at (916) 424-1374 or PDG Erv Gon at (916) 427-5747.

Announcing the MD4 2023-24 Environmental Photo Contest

In conjunction with Project Care, we are announcing the MD4 Lions Environmental Photo Contest. There will be 2 categories that promote both the environment and club service activities during the 2023-24 Lion's year. It will provide a way for Lions to portray, through an original photo, their pride and commitment to improving, protecting, and preserving the environment. The contest begins at home, where every Lion can enter a photograph of his or her immediate surroundings to the MD4 Lions Environmental Photo Contest. It is as easy as snapping a picture of the beach, trees, birds, water, sky, or anything around you as you serve to improve the environment. The photos will be displayed, and the winners will be selected by popular vote at the MD4 Convention in February 2024. There will be one winner in each category.

Contest Rules

- The Environmental Photo Contest is open to LIONS in MD4.
- There are TWO categories:
 1. **The Environment** - Photos depicting a nature theme (such as plants, animals, weather phenomenon, etc.) in California. No people may be included in the photos.
 2. **Environmental Service in Action** - Photos of your club participating in an Environmental Service Activity during the current Lion year. Must include Lions in the photos.
- Photos should be original, unaltered and taken within state.
- Photos should be printed on high-quality photo paper and measure 8" x 10".
- All photographers accept responsibility for the cost of all photos.
- Only one submission per club will be accepted.
- Photos must be taken during the current Lion year and submitted to MD-4 by January 15, 2024.
- Photos will be judged impartially based on originality, artistic merit, and technical quality.

Include your name, Club name, District, and a brief description of the photo. Photos must be received by Lion Kathy McCracken no later than January 15, 2024.
